Judy deals daily with the loss of a spouse, siblings and a child all in the past 2 years. She finds strength to continue to missions as God works through her.

Recently God lifted her spirits by the visit of grandchildren from Texas during their Spring Break. The family is dealing with an at risk pregnancy, knowing the child might need to be delivered early this month.

Please continue to keep the Mason family in prayer; along with the vital work of getting Bibles into Russia and helping those in storm ravaged areas in our own country!

A Christian Ministry in the National Parks

Pray for ACMNP Staff, Board of Directors, National Advisory Committee and resident ministers. They all work together to assure that this ministry continues to lift up Jesus Christ in the National Parks.

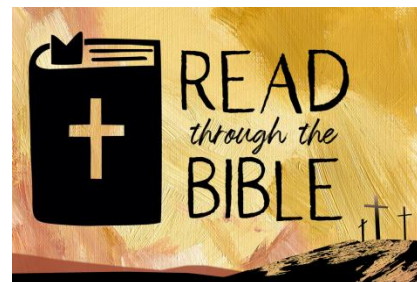

Pray for the teams that are recruited, trained and put together for the summer. May God bless them with insight for skills, personalities, strengths and interests. May the teams come to appreciate the people that God has placed among them, how God is at work in their lives and thankful for the opportunity to be God’s Ambassadors in the upcoming months. May they be used to point people to the handiwork of God around them, God’s love that can meet their needs and help them to grow in love. May the leadership be encouraged and strengthened as they see God at work through this ministry and opening even more doors!

You can go to our Facebook page and watch

our worship services. We try to live stream every Sunday at 10:30 am.

Old Testament Reading will take you through much of the early history of Israel as a nation. Relying on God and those that He raises up, enjoying peace for long periods of time and then deciding they wanted to be like “all the other nations”, they followed that path, and would often stray from God as a result.

New Testament Reading will take you through much of Jesus’ earthly ministry. Read of the miracles, learn the lessons that He teaches, witness

how He carries out God’s will and trains people to do the work of God!

Let God use these passages to equip you for every good work!
