OLD TESTAMENT

Last month we read about:

- Start of the world
- Start of humanity
- Start of sin
- Start of God's plan for redemption
- Start of God's people, Israel
- Start of a Nation
- Establishment of Covenant
- Guidance with laws

This month we will spend time learning about worship, remembering God's love, different types of sacrifices and dangers of trying to "alter" God's plan.

NEW TESTAMENT

The Gospel of Matthew was written to the Jewish people and focuses on Jesus, the Messiah. Fulfilled prophecies are seen throughout the book. The fulfillment of the Old Covenant by the PERFECT Sacrifice is made clear; along with the new life made possible by the resurrected Lord.

The Gospel of Mark was written to the Roman people and focuses on ACTION, POWER and TEACHINGS of Jesus.

RATED PG program can help you get more out of your reading by providing guidance and information. If you are finding the reading "too much" right now, Paul can help "streamline" your reading to suit where you are at.

Join us to better understand these NEW Testament books. We will start each week with any questions or comments that people have from the previous weeks reading. We will then pursue that day's study. Learn with others as we address issues that you might not have thought about. Learn about and appreciate others and their walk with the Lord.

We will be focusing on how we can become stronger and more committed.

Study Guides Available

The OLD Testament Study Guides are will be made available each week and placed in the bulletin. They focus this year on the importance of remaining committed and faithful. They will help reinforce what you have read. You can bring your question with you on Sunday and we will be glad to go through it then!

Share study guides with family and friends (pick up extra copies at church or take a picture of a study with your "smart phone" and send the image to others!
