Mason Ministries

Lowell (Buddy) Mason spent many of his formative years at Pine Run as a youth, as well as the start of his 70 year Gospel Music Ministry, As he went out, so did the impact of the Pine Run congregation. We supported him through the years, He never forgot our role in his life and ministry and prayed daily for us.

His going to be with the Lord, provided us the opportunity to continue to share our love and support of the ministries, by continuing our support of Judy as she overseas them today. Continue to pray for her with the many loved ones that have moved on. May God bless and strengthen her for the work that remains!

A Christian Ministry in the National Parks

Pray for ACMNP as teams are recruited, trained and put together for the summer. May God bless them with insight for skills,

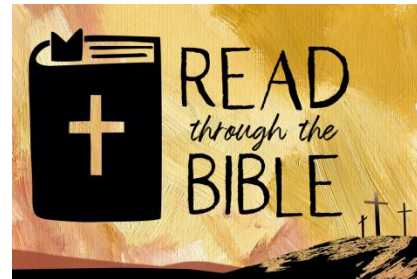

personalities, strengths and interests. May the teams come to appreciate the people that God has placed among them, how God is at work in their lives and thankful for the opportunity to be God’s Ambassadors in the upcoming months. May they be used to point people to the handiwork of God around them, God’s love that can meet their needs and help them to grow in love. May the leadership be encouraged and strengthened as they see God at work through this ministry and opening even more doors!

You can go to our Facebook page and watch

our worship services. We try to live stream every Sunday at 10:30 am.

Our new “RATED PG” consultation can help you with your goal of reading God’s Word daily. Sit down with Paul and get the help that is best suited for you. Some “background information” on your reading could be extremely helpful not only in providing a greater understanding, but also to better equip you for the people YOU want to be helping. Let Paul help create a program that is best suited for you and where you are at!

Old Testament Reading will help give you a greater depth of understanding of God and His love. You will see numerous examples of the difference that God can make in people’s lives. His power is seen to accomplish far more than what you

might expect and will help you grow in faith.

New Testament Reading will help you understand God’s love and the difference it can make in your life. It will help you walk with Christ.
