For GROWTH

The growth of every Christian is important as we become better equipped to serve. The Daily Bible Reading Program, Bible School, Worship, Prayer times and fellowship are designed to help everyone grow. It's like a "One Size Fits All" approach.

God has used this to help our ministry become united not only in our walk with Christ, but as we look at the ministry of Pine Run and what God has set us up to do.

He has brought in new people, who have grown with us to a point where we are having a greater impact with fewer people. God continues to work through us to:

- minister to our loved ones
- Impact schools
- Impact businesses
- Impact leaders
- Impact through social media
- make presence known
- unite believers
- Financially support missions
- Encourage workers around the world

Only God can bring that about.

We have so much to be thankful for how God has blessed our efforts and allowing us to be able to see so many results.

"One Size fits all" however, is not adequate for every aspect of our Christian life, just like for our wardrobe.

We are introducing another level of ministry:

For PERSONAL GROWTH

This new "ministry" is designed specifically for YOU.

- Schedule a meeting with Paul
- Analyze together where YOU are in your Christian walk
- Develop a strategy together to address growth in areas YOU want to work on.
- Bible Study/Reading program for where YOU are at
- Become more aware of how God's Personal Trainer for YOU (Holy Spirit) is involved

In the world there are personal trainers to help:

- You lose weight
- Get in shape
- Handle finances

Now you can benefit from a FREE consultant; who is out to sell you anything, just to help you. Being a "smaller congregation" enables us to undertake such an endeavor and get it rolling.

This service will also be available to any family or friends that you might have. We are here to help people grow in their love for God and their love for others.

After initial meeting and set up, you can decide how much further "consultation" you would like.

Paul has consulted with:

- Christian workers
- Schools
- Businesses
- Leaders
- Missions

Now let him help YOU!
