On Sunday, March 3, a devastating tornado struck Alabama!!!! Many were injured and at least 23 deaths, and hundreds left homeless.

Our ministry - Operation WeCare - is a 501c3 charitable corporation

and we are providing food, water, and emergency supplies to Churches throughout the tornado area, with a prayer that many who receive the supplies will be won to JESUS when they realize that Christians are those who are helping them in their time of need.

We urgently need BOTH Your Prayers and your Financial Support. Also, would you consider asking the Church where you attend, to contribute.

You can contribute by check, money order, or PayPal, through our address, Operation WeCare c/o Lowell Mason Ministries P.O. Box 1195 – Joplin, Missouri, 64802 or visit www.lowellmason.com

**David & Dawn (Berry) Degler
A Christian Ministry in the National Parks**

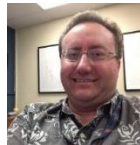

“You are just a few clicks away from spending your next summer in a national park! Our alumni reflect that their season with ACMNP was the “hardest, yet best” summer they have had. Are you ready to be transformed, have a lasting impact, and share the love of Christ in a remote national park setting? Check out the FAQ’s below, and get your application in. We can’t wait to consider you!”

Be keeping the ministry in prayer as they prepare for the upcoming recruitment, training and deployment of volunteers!

We are so thankful for David and Dawn and their faithful service to the Lord!

David Anderson

David has started work on his doctorate and will be involved learning Latin, Greek and Hebrew. He is expecting his daughter (a student at Dartmouth) to help him with his Latin!

He continues with his labors in the home church in Hawaii.

Teaching the Word (through our Website)

Looking for help for yourself or others... our website is a great place to turn. Dozens of free online Bible Studies; Bible stories for children; science and the Bible articles and much more!

March has seen more than triple the number pages read than any other March. Set a new record for pages in a month as we finished around 4,000!
