

<http://pinerunchurch.org/reading-his-word.html> .

We will be leaving the book of Acts and moving on to the Letters. We have seen the impact that Christ has made in leading the church into evangelism and expansion. We've noticed how Jesus worked in peoples lives to transform them into servants better equipped for the task of making disciples. This helps us to TRUST the leading of Jesus and focus on being obedient to His call.

The letters will spend more time helping us to understand who Jesus is, what He has done and finally, how these lessons should be affecting the way that we live our lives.

If you are looking for a closer walk with Jesus...Keep reading and see God's power as He teaches lessons we need to know!

Christians are continuing to lift one another up in prayer. The more Satan attacks, the more God's people are praying and seeking strength and help through the trials. Many of the health issues God has under control. Now we look around and see how He is putting

pieces in place for the growth, development and future of the ministry. People are stepping up, others returning; and the brighter future is becoming as visible as the rush of Spring. Using that comparison in Michigan is also a reminder that their will be occasional "setbacks" but the goal will be achieved.

Pray, giving thanks for God's blessings, seeking forgiveness, praying for the health (physical, mental and spiritual) of others, and for God's will to be done on earth.

- Sundays
- 9:30

• Study of Missionary Journeys & Epistles!

Our weekly study of "Women of the Bible" have been a reminder of the vital role that these strong, spiritual, compassionate women have been in the carrying out of God's plan. We've also been reminded that when WE try and work around (or "speed up") God, that it leads to disastrous results. Our studies have included: Eve, Sarah, Rebekah and Rachel. More are on the way.

If you want to catch up on what you have missed, you can! These studies can now be found on our website:

- Wednesdays
- @ 10:30 AM

• Learn about "Life of David"

- Keep up with how God is answering prayers

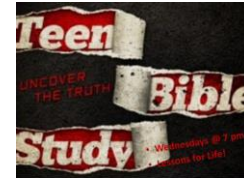

Study & Pray

Study in Deuteronomy, has again, shown us how relevant God's Word is to our World today. Warnings unheeded, have consequences. It also

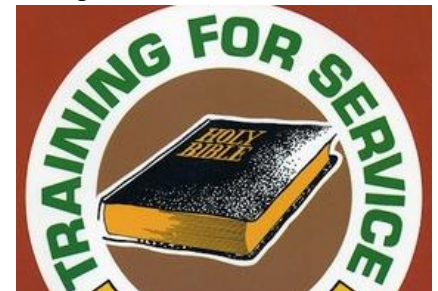

gives hope as we realize that obedience to God leads to blessing and a better quality of life. God addresses all aspects of human life and gives guidance (health, relationships, community, work, wealth AND spiritual).

Our prayer time allows us to see how God is working, become aware of how we can pray more specifically for others and asking God's blessing upon this ministry.

Wednesday Night Teen Study provides an opportunity to

address issues that teens are facing today; along with preparing them for challenges that they will face as they get older. Seeing how God works enables them to better understand that He has a reason for what is taking place in their life and will help them through these times.

Teen Training—Thursdays @ 7 pm

The changing seasons leads to the changing appearance of the building. We are thankful for the countless volunteers through the years that have helped (and continue to do so). Jaydin has been instrumental in moving our "tomb" from the attic to the entrance of the auditorium, changing of the banners, besides helping with office work and the cleaning of the building. It won't be long until the work will again include helping out with the preparation and care of the flowerbeds.
