

Let God Speak to YOU!
Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html> .

John, Mary Magdalene and Peter will be the focus of our reading in August. We will see how God impacted their lives. We look to see lessons that will help us become more effective servants of Jesus Christ.

You can find copies of the Daily Bible Reading in the foyer at the church building, or online at our website!

Morning and evening sermons each week will come from the previous weeks reading.

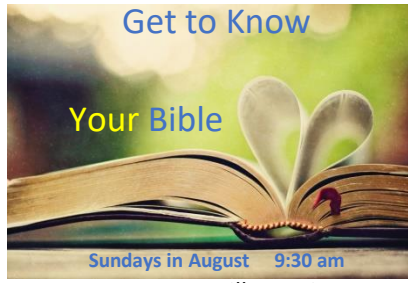

Take Time to Talk to God!

We have several people that are not only recovering from injury/surgery, but are also dealing with the frustration of limited mobility. Continue to lift them up in prayer, along with their family members who are there assisting.

Continue your prayers for the ministry of Pine Run Church of Christ. God has opened doors where we can be making a difference in: feeding the poor, reaching young people with God's Word, uniting believers in praise & worship, impacting the staff and youth in our local schools and much more. God continues to provide the resources, the workers and the avenues of service, as we follow His leading.

“Now to Him who is able to do immeasurably more than all we ask or imagine, according to His power that is at work within us, to Him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.” Eph. 3:20, 21

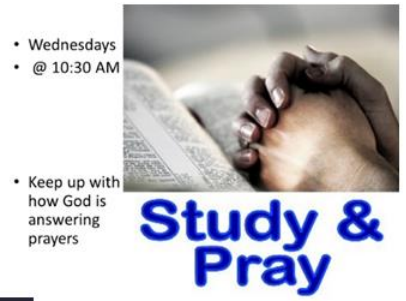

Figure 1 "Exodus"

God’s ability to help His people overcome “impossible odds” are clearly seen as the Israelites are freed from slavery in Egypt. His goodness to provide bountifully for His people is evident in the wilderness. His faithfulness is being present and guiding them each step of the way is obvious by the pillar of cloud/fire.

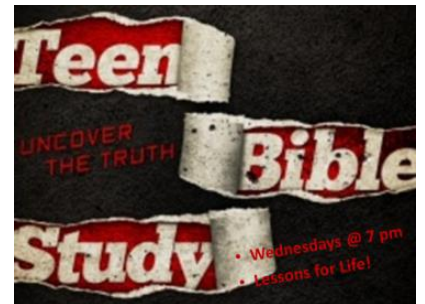

How has God helped you:

OVERCOME?

PROVIDE?

GUIDANCE?

Share your story and hear from others as we pray and study together!

Summer Schedules interfere with our weekly meeting, but we do our best to work through it. We are glad to have welcomed back on occasion a couple others for study!
