Our website greatly expands the impact of our ministry. A typical month will see hundreds of visits and over 1000 pages viewed. Activities and news are popular, but so are the numerous Bible Studies (both children and adult) that can be found on the site.

We reported last month that it also led to our being contacted to see if we could help with the consideration of Marijuana licensing being allowed in Vienna Township. We prayer, spoke up and are pleased to report that the township council voted 7-0 to opt out of licensing.

God creates opportunities for us to help improve the quality of life now and for eternity. We strive to follow His leading and let Him work through us! Keep up with our service by going to:

Mission of the Month:

Love INC
Love In the Name of Christ

A non-profit charity organization known as Love Inc. operates in Genesee County Michigan. Dozens of churches partner with the organization in an effort to help the working poor, low income and less fortunate. While all of the resources are very limited, some examples of what may be offered includes clothing, food, referrals, and other support. Many requests will also need to be denied due to limitations.

The assistance programs from Love, Inc. are for low income and otherwise qualified Genesee County families and individuals that have a referral. That can be provided by churches, faith based organizations.

SPECIAL THANKS:

A leaking roof, full gutters (growing seedlings 12" high or greater) and broken dangling limbs at the parsonage, were recently taken care of by Ray Carlson. We appreciate all our volunteers and their labor of love!
