COVENANT RENEWAL

Joshua 23:1-16 Joshua gathers the people together, near the end of his life; and reminds them of what God has done for them. He challenges them to be strong, obedient to God, careful not to be influenced by others to serve false gods. Reminds them that obedience results in blessings and unfaithfulness will result in punishment.

Joshua 24:1-27 Assembling the people at Shechem, Joshua reminds them of their nations history, starting with Abraham and God's promise to give the land to Abraham and his descendants. Joshua speaks of Moses and how God delivered the people from Egypt and gave victory over the people of this land. Reminds how God protected them from the curses of Balaam. He challenges them to reject all false gods and Serve the Lord. He states that regardless their choice; his household will serve the Lord. The people reaffirm their commitment to serve the Lord. Joshua sets up a stone memorial as a reminder of their pledge of their commitment.
