

**Let God Speak to YOU!**  
**Communication is important in EVERY relationship**

<http://pinerunchurch.org/reading-his-word.html> .

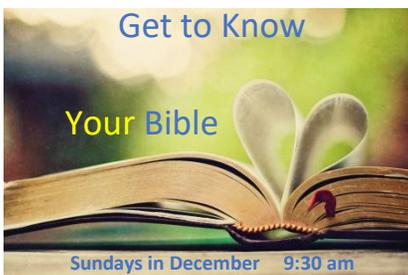

Our Daily Bible Reading will be focusing on God’s plan for redeeming us and the sending of Jesus into the world. The passages are short enough for you to read them with little ones and then discuss God’s love.

A portion of the reading each day will also be shared on our Facebook page along with a brief application.

**Take Time to Talk to God!**

Family, friends, neighbors, Pine Run, our community and nation is plenty to be praying about. God is expanding that list to include not only our missions we financially support, but also workers in the Kingdom from around the world. To help you “connect”; you can check out the upcoming “mission board” on the back wall of the auditorium. The world map will feature pins designating: **States** where we have people following our posts, **Missions** we financially support and **Countries** where we have “followers” of our daily Bible Reading Posts and with whom we are working to strengthen and encourage.

We are focusing on learning more about the Bible through an “overview approach”. We will

spend one week covering Genesis through Esther. Hitting the MAJOR points and providing outlines for you to go back and look at. Another week we will spend on Wisdom Literature, followed the next Sunday by the Old Testament Prophets. We will finish the month looking at the 4 Gospels and the book of Acts.

Sunday mornings at 9:30 we will meet and go over this material. All are welcome. You do not need to pre-register, there is no cost, we look forward to having you join us!

**Study & Pray**

Figure 1 "Leviticus"

We learned a lot about the tabernacle and the significance of the various items. We now continue our study with the instructions that are given to the priests of the Old Testament.

We also take time to get caught up with what is going on in the lives of the people of Pine Run and now adding people from around the world and then lift them up in prayer!

We have been following up with the Sunday Sermon and discussing how these passages apply to the life of a teenager. We take time to discuss what is going on in their life, pray together and try to

encourage them in their walk with Jesus.

**Teen Training—Thursdays @ 7 pm**

**Getting things cleaned, materials ready and preparations for decorating are among the task that we work on together.**

The initial response to getting the word out to the congregation has been encouraging. Attendance has jumped, families are promising to be more regular and will finish November with all of our due bills paid.

On top of that; God is blasting off the doors of EXPANSION! We are NOT ADDING any additional building space; however, He in the past 2 weeks has begun setting up contacts with Christians from small congregations all over the world. They are reaching out via social media and we are sharing our respective stories, encouragement and praise. We are also able to offer them access to our Bible resources and studies. They are so appreciative. Who but God could enable us to expand to 11 new countries; continue to reach people in 20 different states on a daily basis and do it at.... NO EXPENSE but time?!! He is amazing!!
