Mission of the Month:

Great Lakes is located in Lansing, MI and is one of several Bible colleges in the nation. They are celebrating their 70th year. They are in need of prayer as they are struggling .

We are reminded that their staying open should not be taken for granted. At the end of the Fall Semester, a sister Bible College: Cincinnati Christian University in Ohio, is closing its doors. They were an older and larger college, that also lost ownership of their campus and now can no longer pay their bills.

We are pleased to announce that Central Christian Bible College in Missouri is offering to work with

the students and churches in offering online courses (besides students being able to transfer to their campus).

Continue to keep Great Lakes in prayer!

Let Paul Know!**

Mrs. Jones did not want it known while she was alive, but with her passing, the Board felt that the congregation needed to know of her great kindness. Weekly these stairlifts are used by individuals who would be unable to deal with the steps

We are appreciative of her daughter, Deena, in helping with the proper sentiment for the plaque.

***November Food
Distribution***

Over 3 tons of food was distributed by the Clio Area Churches in November. We are thankful to West Vienna, who hosted the event. 153 households were blessed and over 484 people. Get ready, because on December 14th they will be lining up on the street behind the church (staying in the vehicles to stay warm) and then coming in 24 cars at a time We can use all the volunteers we can get!
