

### Lowell “Buddy” Mason

Lowell came to Pine Run Church of Christ when he was 4-5 years of age. His dad preached here

and he attended Clio Schools. At age 9, he began a gospel singing ministry that is in it's 71<sup>st</sup> year! He has been all over the world and leads missions that provide Bibles to Russia and food and water to those in need in America.

A year ago he was recuperating in a hospital from a life threatening surgery that could reverse and stop continued paralysis. This year he was back at the head of the family thanksgiving table.

Continue to pray for him as he has begun a 6 week therapy program with the goal of being able to resume walking and driving!

David &  
Dawn  
(Berry)  
Degler

David Degler has the opportunity to share the God of Creation with those who visit our National Parks. Vistas like this help demonstrate that our universe wasn't created by chance, but instead by an amazing God who shows His power and wisdom in the world

around us.

Each year lives are impacted through this ministry. Imagine the effect of a worship service with this backdrop!

Continue to pray for David and Dawn (Berry) Degler as they serve the Lord in Colorado.

Dawn grew up at Pine Run Church of Christ before leaving to attend Great Lakes Bible College in Lansing. David also attended Great Lakes.

David  
Anderson

David is active in the Navy in Hawaii and leads a home church there. They recently were reminded of the challenges of ministering to youth as they began a 3 month Bible School teaching program for young people. With “spare time”, they decided a quick game of “Red Rover” was in order but did not anticipate having to break out the first aid kit to handle multiple injuries.

Be praying for them during this 3 month stint of teaching youth and as they continue to work with that home church!

David is the son of Charlene Anderson and grew up at Pine Run Church of Christ.
