

### Lowell “Buddy” Mason

Lowell continues his “Thought for the Day” posts on Facebook. He has recently added a post featuring a picture background and a Scripture verse.

His AIM ministry focuses on sharing Bibles internationally. His “Operation: We Care” provides food, water and other supplies to needy areas in our country.

His son-in-law, Brad McClintoch has been hospitalized and having heart surgery. He received a LVAD pump and things went well. Continue to pray for his recovery.

We are so thankful for Judy and Lowell’s ministries through the years and are blessed to be able to share in them.

### David Anderson

Keep David and family in prayer during the government shutdown. He works for the US Navy in Hawaii. His spare time is spent helping a house church with leadership, teaching and preaching as needed. Land is so expensive in Hawaii that it is more cost efficient for churches to meet in homes rather than try and secure land and build a structure. This follows the patten of the first century church in Jerusalem.

His children are spread out from the east coast to west coast of the continental United States as they attend college. His mother covers Michigan to Florida during the year. Family is very important but extremely difficult for them to be together as much as they would like.
