# The POINT!

## Christians are facing challenges every day.

God is helping us deal with these challenges. Additional prayer, more trust, greater support offered to each other, along with the encouragement that we find in His Word are helping us to persevere. As we overcome, our faith grows and others are encouraged.

Sermons each week are helping to give insight and guidance to HOW this faith growing process works. Everyone growing in faithfulness and committed to the body of Christ will help us see God work in marvelous ways!

**Support  
Added!**

The Pine Run Church of Christ Board voted unanimously to add the ACMNP to our monthly support. This ministry provides Bible Studies and leads worship services in National Parks across

the country (2 in Michigan). This summer, more than 300 college students will be trained to serve and go out to the various national parks and serve. Our support helps equip young people to serve while spreading the message of Jesus.

Our connection with this ministry is personal. Dave Degler, who is on staff, helps train and equip these young people. Dave married Dawn Berry (who grew up at Pine Run Church of Christ).

Comments from our decision:

Dawn Degler: "WOW!... So excited that my childhood home would think of me in that way... I can't tell you how much you made my day with this."

ACMNP OFFICE: "That is exciting news!... We would like to thank and keep you updated on ACMNP..."

Tremendous opportunity to get to know others in the church better, while enjoying salad, lasagna and dessert. We will also be remembering how God has shown His love to you over the past year. The cost is free, but we are asking for people to sign up so we know how many to prepare for.
