

Lowell “Buddy” Mason

We would encourage you to “like” Lowell Mason on Facebook. Following his page, you will find him posting a scripture verse and then providing a devotional thought to help you through the day. Updates on concert, progress with his rehab and what is going on with his family can also be found there.

Buddy has been part of the Pine Run Church since the mid 1940’s. See how God continues to use him, to touch others with the love of Christ.

David & Dawn (Berry) Degler

The biggest news regarding the Deglers, their work with ACMNP and connection with Pine Run can be found on the 1st page of our Newsletter this month. Pine Run will be sending monthly support. Dawn stated, “It is so fun for Dave and I to be a part of this Ministry and have it grow in our home State.”

YOU can be touched by this ministry when travelling to our National Parks. Go to the ACMNP website

(<http://www.acmnp.com/news-events/service>) and you can find a listing of the National Parks along with the time and place of services that they offer there.

It is so exciting to see over 300 college age young people trained to lead worship and Bible Studies each year at the National Parks. These youth can then head back to their local communities and congregations and be even more effective servants of our Lord!

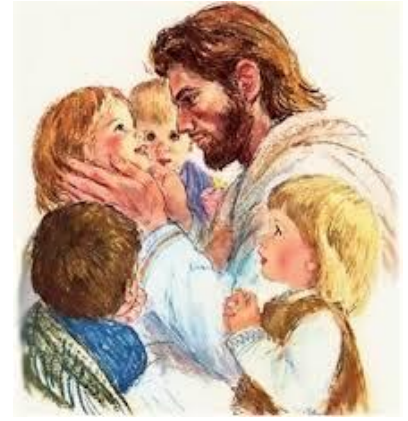

Pray for David and Dawn and their ministry!

David Anderson

We are thrilled to see young people who grew up at Pine Run Church of Christ, go out into the world and share their love of Jesus with others. David’s journeys have led him to a career in the Navy. He is stationed in Hawaii where he serves our country and Lord.

Besides his witness on base, David is also involved in leading a home church in the community. He has been teaching Sunday School for the children besides, which has led to some “exciting moments”. The exuberance of the youth while playing a game recently, caused him to have to break out the First Aid kit!

Teaching the Word (through our Website)

We are pleased to announce a new “page” on our website: “Women of the Bible” <http://pinerunchurch.org/women-of-the-bible.html>

This will take you to Bible studies on these various women. We are going through these studies during our weekly Bible School (Sundays @ 9:30 AM). The studies will take you to passages about them, give you questions to answer, applications and then some observations. The studies need to be approached with an open mind, because they will challenge some long held “beliefs” and show that God’s view of the role of women, is much higher than what men often portray!

It’s interesting to note that this new page has not been “advertised” but is already among the leading pages viewed this past month. It presently contains studies on Eve and Sarah. Other will be included as we go along (Rachel, Deborah, Ruth, Esther, Mary and others).

We will continue to monitor the “popularity” of the site, which may lead to other studies we do (Deuteronomy, etc.) to be added to the site.
