

Getting to Know and Understand
YOUR Bible

Adult Bible Course

I. **BIBLE STUDY DESCRIPTION:**

We shall spend time in this course learning Bible Study Methods, Basic Bible Information and gain familiarity with the various Bible Books.

II. **BIBLE STUDY OBJECTIVES:**

Our basic objective is to finish this study with an understanding of what the Bible is about, how to study it, where to find things and a realization of how God can use this to help in our daily life.

III. **ASSIGNMENTS:**

The purpose of these assignments is to give you the opportunity to become familiar with the material and then to be able to ask questions that will help you gain a better understanding of God's Word. To gain the greatest benefit, it is vital that you do as many of these assignments as possible since **ALL** the material cannot be covered in our discussions.

- A. Read the material that will be discussed the following week.
- B. Complete the appropriate study guide
- C. Attend & participate in the study each week.
- D. Review the previous week(s) material
