

Let God Speak to YOU!
Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html> .

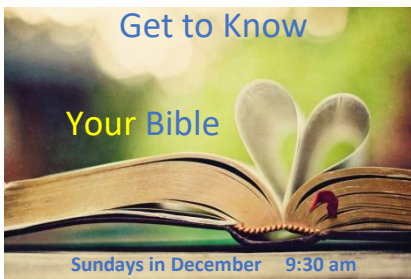

Our goal for 2020 is for people to grow in their love for Jesus. Best way to do that, is to learn more about Him. We will be spending the year reading the four gospel accounts. Bible reading programs will be available in the church foyer, on our monthly calendar and on the church website. The weekly messages will be coming from our previous weeks readings. These readings will also be shared with our contacts from around the world!

Take Time to Talk to God!

The more you become aware of what is going in your world, with your family, friends, work, and various situations, you become thankful that God is in control and you can take things to Him. Watching Him work in and through peoples' lives is exhilarating.

Take time to talk to God in prayer. You will be amazed at how He will lead your mind to think of other people and needs.

We are finishing up getting a better understanding of God's Word. In January, we will be looking at Paul's Letters, Other Letters and

the book of Revelation in our weekly study.

Sunday mornings at 9:30 we will meet and go over this material. All are welcome. You do not need to pre-register, there is no cost, we look forward to having you join us!

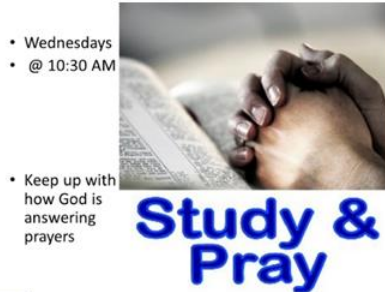

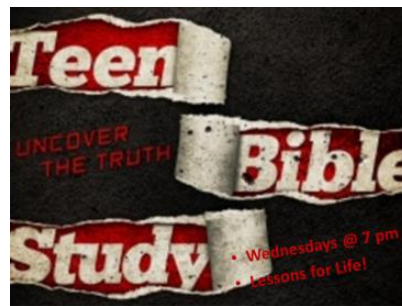

Figure 1 "Leviticus"

It has been interesting to study together and discuss the "offering" and "sacrifice" system of the Old Covenant. We have learned to appreciate how Jesus has made a relationship with God available

We also take time to get caught up with what is going on in the lives of the people of Pine Run and now adding people from around the world and then lift them up in prayer!

Helping a teen see that God is interested and can help them with their life can be challenging. We walk through the situations they are facing. We try and look at the way the world handles the situations and the results vs. the way that God wants us to deal with the matters and the results. Sometimes, it is hard for them to see how people will not walk all over them and that things will turn out ok.

**Teen Training—
Thursdays @ 7 pm**

Trying to make sure the little things (corners, under the counters, etc.) are cleaned is sometimes overlooked! Still, we plod on and try and make things clean and ready for use on Sundays, Wednesdays and whenever else the building is needed!

God continues to bless His people, and their generosity is making a difference at Pine Run! December was the 5th best month of giving and helped us push over the \$38,000 mark for the year. The income was "above" our "bare bones" budget and will help provide some replace some money pulled from savings to pay bills. God is showing that He is determined to keep the doors here, open.

We are so thankful for the many that have added to their regular giving. People often talk about giving a tithe (10%); though that was required by the Old Testament. Christians realize that as the blessings in Christ have multiplied, so our giving will exceed the 10% as we see needs and show compassion!
