First Come, First Served

We will host for the second consecutive month the Clio Area Churches Food Distribution. Last month, seven

different churches provided prayer, encouragement and help. We were pleased to serve over 70 households, representing over 250 people. The leftovers were disbursed to various Senior Housing Complexes. This assisted Seniors living on fixed incomes. The remainder was given to a Clio agency that made packages for needy families and Seniors in the area.

Milk, potatoes, squash, onions, tomatoes, breads and sweets in the amount of 11,000+ lbs were provided by the Food Bank of Eastern Michigan. Over 20 volunteers helped to distribute the food. The earliest arrived about 8 am to set up and the last left a little before 2 pm after cleaning up.

West Vienna United Methodist will be hosting the February Food distribution on Feb. 9th.

**Featured in
Christmas Worship
Service**

Our Christmas Service (held on Dec. 23rd) featured our young people dressed in costume as the backdrop for our Scripture and Christmas Carol slides. Following the service, everyone enjoyed birthday cake, beverage and ice cream sandwiches at the party held in the church basement.

Special thanks to Autumn St. Louis, Deanna Jones and Deb St. Louis for capturing the photos, the youth for their participation and everyone who attended and helped provide food and decorations for the party!

We were pleased to make the pictures available to the families. They have also been featured in Social Media posts at the end of December!

We were able to purchase eight \$50 Gift cards which were made available to families we were aware of in need. The remainder were delivered to the Clio Human Services Fund and the Schools for distribution!
