

Lowell "Buddy" Mason

What greater joy could a man have, then sharing the Christmas Story with his Great Grandsons and other family members? We are so blessed to see Judy and Lowell's faithfulness through the years. Now they can see that ministry touching succeeding generations!

May their service and example continue to be blessed and inspire others to follow in their footsteps!

David & Dawn (Berry) Degler
A Christian Ministry in the National Parks

This Christmas picture goes back a few years (like 29!) Celebrating Jesus'

life is just as much a part of the Degler's life now as it was then.

They encourage people to continue to pray, support and be blessed by the ministry that they are a part of.

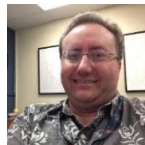

This is a picture of one of their "winter" team members who is serving at the Death Valley National Park!

David Anderson

Be praying for David's family and ministry in Hawaii! Remember his children in college (one on the east coast and one on the west coast of the continental US).

Teaching the Word (through our Website)

What an amazing year for our website. We eclipsed 2000 pages viewed in a month for the first time (and done 3 additional times!). Eight of our top 10 months in pages viewed have been from this year!

We have added Bible Studies, Clio Area Church Events page; besides our monthly calendars, newsletters and Daily Bible Reading program.

Set aside some time to peruse our website and find a Bible Study to do. Our new Bible Reading Program will be focusing on helping you lead others to a closer walk with Jesus, by learning from people of faith!
