2018

A new year, means new experiences. This coming year will be filled with new challenges for our people. People that will need some extra attention; situations which require extra resources; new faces or tasks; will mark the transitions we face. Many of these changes are already in the works.

We will be addressing the handling of these issues through our Bible Reading and Sermons throughout the year. Prayer will be lifted regarding the various situations. People will share their experiences and lessons to help others who are heading down that same path. God will guide and provide along the way. Together, we will grow in our faith.

These experiences will increase our ability to persevere, be used by God for our good and better prepare us for eternity. Get ready for the adventures ahead. The year will be filled with numerous blessings. Remember to start each day, relying on God to lead and help you through! Spend time daily in His Word for guidance. Pray for one another that God will be glorified.

NEW HIGH REACHED!

Pine Run Church of Christ places a great deal of emphasis on meeting the needs of others.

Clio Human Services Fund is supported by the congregation and helps assure children receive the necessary healthy food and supplies to stay healthy. Our yearly support is then augmented by designated giving in December which is used to provide \$50 gift cards to families in need. This year, ***\$550 was given*** towards this effort. A total of seven gift cards were given to Clio Human Services, while the remaining four were given to families known by members of this congregation.

LOVE Inc. (in the name of Christ), is supported monthly by the congregation. They provided assistance (food, utilities, and more) to residents of Genesee County.

Southeastern Michigan Food Bank is supported monthly and helps the needy in the area with food and hygiene items.

Operation "We Care" is supported monthly by the congregation and provides food and water to those in need throughout our country.
