

2018 Daily Bible Reading Program will take us from Acts of the Apostles through Jude. The daily program can be found on our monthly calendar (on website or printed and available at the church), or on the website page: <http://pinerunchurch.org/reading-his-word.html> We will gain insight for growing in our faith as we learn from the first century church and messages that God has provided for Christians through the various letters. Feel free to ask any questions you have from the reading on Sundays or Wednesdays, or sending me an e-mail ([pstlouis59@gmail.com](mailto:pstlouis59@gmail.com)) or calling. Sermons each week will be based on the previous weeks reading.

2018 is already shaping up to be a year that will keep our prayer warriors busy! Health issues, resource issues, relationship issues, transitions of responsibility, ministries of those we've sent out, our missions we support are just the start! God has faithfully answered prayers over the past few years. This is evidenced by the active Senior Saints

we have who are approaching their mid-90's! They continue to overcome the health challenges they face and are blessed with faithful family members who help them on a daily basis.

Heart conditions, strokes, and legal issues have been overcome this past year, now it appears Satan is looking at attacking through other fronts. We need to continue to pray diligently and let God work through people as He sees fit!

• Study of Missionary Journeys & Epistles!

2018 we will continue to gather and study God's Word. It will be interesting to see where we head next. During the past 3 years, we have gone through ALL the New Testament, and just finished a study of the Missionary Journeys and how Paul's writings fit in. Considering our Wednesday Morning Study has covered the Old Testament Prophets, David's Life, Job, Psalms and now Deuteronomy; we have covered the vast majority of God's Word the past 3 years.

- Wednesdays
- @ 10:30 AM

- Learn about "Life of David"

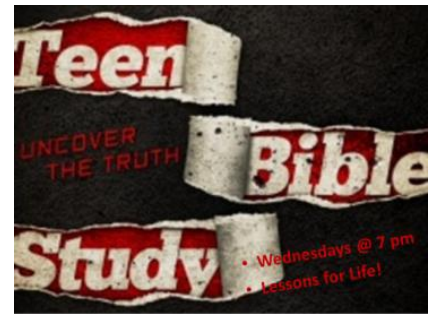

- Keep up with how God is answering prayers

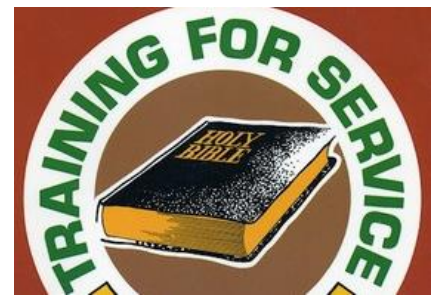

**Study & Pray**

We are learning how an experienced generation can help prepare a new generation for service. Our study in Deuteronomy is providing insights in the challenge of leading others. Joys of victories and frustrations with lessons that were not learned, are common experiences for the leader.

We continue to spend time praying for others when we gather. What a blessing to hear how God has answered prayer and/or receive insight in how to pray more specifically for the needs.

Wednesday Night Teen Study is focusing on the Sunday morning message. Application is being made to the situations that teens face daily. This study also allows closer personal oversight to their spiritual development.

**Teen Training—Thursdays @ 7 pm**

It's difficult seeing young people grow up and move on with their lives. Each time, it reminds us of the importance of taking advantage of the precious moments we have with them to prepare them for serving Jesus Christ. Our teens have learned that they are NOT the Church of the FUTURE, but are a vital part of the Church TODAY! We are glad to be able to provide service opportunities that equip them for making a difference and developing skills that will help them through life.
