**Mission of the Month:**

As Great Lakes wraps up its summer semester, eight students gather on campus to be sent out to the mission field, AKA Church Camp. They are currently spending time writing campfire devotions, making travel plans, and strengthening the relationships they have with their fellow team members.

On June 9th, they embarked in groups to different camps reaching as far as Pennsylvania! These camps include (but are not limited to):

- Rock Lake Christian Assembly
- Michiana Christian Camp
- Wilderness Christian Assembly.

There will also be representatives at Christ In Youth (CIY) events all summer.

What are they doing?

Armed with the Bible and a quality Christian education, these eight students are well prepared to work as faculty at each of these camps. The idea is to pour into the lives of campers. They will encourage each junior high through high school student to consider coming to Great Lakes. Each team member is passionate about the school; it is a part of their story and they are glad to share it with others.

They will be working at the Sr. High Week in July that Paul is working at.
