**Get to Know
YOUR Bible!**

Sundays @ 9:30 AM

We are celebrating that over 2 dozen people have been able to be involved in this Bible Study series for at least one session or are studying the material on their own at home. Our goal of 13 has easily been surpassed.

Participants have found that the material has helped them to see how the Bible "fits" together and has been such a blessing.

If you know of someone that would benefit and be interested, let us know and we can help them get started with their own study.

What comes next? A study of "Basic Christian Living". Study guides
