We are blessed to be able to enjoy Lowell's "Thought for the Day" on Facebook. We are glad to repost them on our own Facebook page. They provide some daily scripture along with devotional thoughts. Saturdays we can often anticipate some rib-tickling stories.

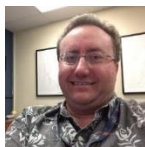

God continues to bless Judy and Lowell. Pray for their ministries and service for the Kingdom.

**David & Dawn (Berry) Degler**  
A Christian Ministry in the National Parks

Keep David in prayer as he is spending some time travelling to the various National Parks to see how the ministries are going. Continue to pray for the workers as they lead worship services and Bible Studies around the nation.

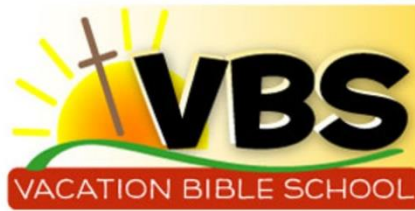

**David Anderson**

Keep David in prayer as he will be on his own for a little bit. His wife is headed to Florida to care for his grandmother, while his mother

rehab from hip replacement surgery.

Prayers would also be appreciated for his college age children and wife!

We want children to learn of God

"Moses & Jesus"

**August 6-8 6-8:30 pm**  
Bethany United Methodist  
"People of Faith: Daniel, Esther, etc."

More than 60 young people learned of Paul's Missionary work in Athens at Messiah Lutheran's VBS.

West Vienna rejoiced to have between 10 and 15 new young people the first night of their VBS. Their attendance was more than double last years!

Sts. Charles & Helena have also had their VBS and will be passing lesson material on to another congregation. Ultimately, we will receive one of the teacher books to be used in our Children's Worship this Autumn!

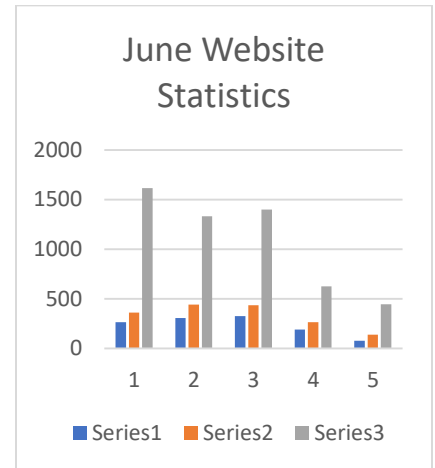

**Teaching the Word (through our Website)**

Jesus commanded us to: teach, baptize and teach some more in His Great Commission. We strive to follow His instructions. Bible School, Sermons, Bible Studies, Video presentations of Jesus' life shared with over 150 families in March are just some of our efforts to be obedient to Jesus'

commands. We also use social media and our website to provide additional teaching through regular inspirational posts, reposting Lowell Mason's "Thought for the Day" and Bible Studies that people can download. The children's studies continue to be quite popular as well as the studies for adults.
