Teaching the Word (through our Website)

Old Testament overview and lessons are made available on our website: <http://pinerunchurch.org/child-development.html> Lessons include where the Bible came from, Bible Library and stories from Genesis through Malachi. Plenty of artwork helps tell the stories. 32 different lessons can be viewed. During June, each lesson has been viewed at least 5 times!

Christian Living Studies can be found on our website as well: <http://pinerunchurch.org/basic-training.html> Twelve studies can be downloaded that will help people grow in their daily walk with Jesus.

Science and the Bible articles were viewed on average more than 10 times each during June!:

THE FLOOD

<http://pinerunchurch.org/the-flood.html>

God is touching so many lives through the ministry (past and present) of Pine Run Church of Christ!

Lowell "Buddy" Mason

Great time at Lakewood Church of the Ozarks in Branson. Father/Son in Concert on June 18th in Missouri. Among the things to give thanks for: Judy was not needed to hold the microphone for Buddy!

God has answered prayers and enabling Buddy to start getting back out and praising the Lord through Gospel concerts!

David & Dawn (Berry) Degler

David and Dawn reside in Parker, Colorado. He

is a staff member of "A Christian Ministry in National Parks" (www.acmnp.com).

For the last two years, ACMNP has taken Cascade Christian High School students on IMPACT trips
