

A recent post was selected to see the impact that “advertising” on Facebook would make.

This Memorial weekend post was run for two weeks and sought to target people in our immediate area. Well, the results were mixed. A “well viewed” post for us will generate about 100 views; this one generated over 1,200! A handful of those were from our immediate area (besides those that regularly view). The vast majority were from across the State and we even reached across the nation in limited number.

Our website was recently used by an individual seeking information on our ministry to determine if we might be a viable partner in impacting our community. Typically we will have several hundred visits in a month and

over 1000 pages viewed. This person was a direct answer to prayer and God used our site to bring him to us, that we might work together!

Check it out and encourage others to be blessed through this ministry!

**Mission of the Month:**

**Great Lakes Christian College**

Great Lakes just graduated 24 Bachelor of Science (all earned a Bible/Theology Major as their first Major) and an additional 7 students earned an Associate of Arts degree.

They have also announced changes among the professors. Dr. Dan Cameron is retiring following twenty plus years of service to the college. A Ministry Scholarship has been established to assist students who are pursuing ministry as their vocation. Sam Long has been hired as Associate Professor of Old Testament and Ministry. Kate Blakely has been hired as Associate Professor of Cross-Cultural Ministries.

Our camp teams are out and about this summer visiting weeks of CIY and high school weeks of camp. This is a great opportunity for us to connect with students and to challenge them to consider full-time Christian service

and to be used by God in the Kingdom.

Pray for our students as they travel and share about the mission of GLCC. Here is their schedule:

- June 19-23 CIY Holland
- June 17-23 Michiana Christian Camp
- June 26-30 CIY Holland
- June 25-30 Hanging Rock Christian Camp
- July 2-7 Lake James Christian Assembly
- July 3-7 CIY Holland
- July 8-14 Michiana Christian Camp
- July 9-14 Wolverine Christian Camp
- July 9-14 Rock Lake Christian Assembly
- July 9-14 Lake James Christian Assembly
- July 16-21 Wilderness Christian Camp

PROMISE is an auditioned 2-week music camp and tour, June 18-30, designed as a strong musical and spiritual growing experience for high school students. The first week is spent on the campus of GLCC and is structured as a music camp, with morning devotions, lots of rehearsals, and fun activities. The second week is spent on tour, traveling to different churches to share a program of music and drama. It all culminates with a home concert back at GLCC.
