

Let God Speak to YOU!
Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html> .

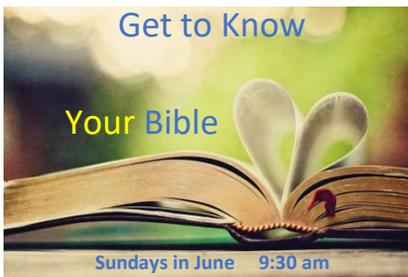

This year, our reading through the Gospels, makes it very easy to keep up with the reading. The emphasis on Jesus' life and teachings are critical to our relationship with God. We are constantly seeing the contrast of the ways of the world with the ways of God. It is clear that Jesus was a blessing to those He encountered and we are to follow His example. Spend time in God's Word and let His Spirit change your life.

Take Time to Talk to God!

This past month we lost 2 of the matriarchs in the congregation: Eudora Shook and Faye Cockrill. These two ladies were a part of Pine Run for over 100 years combined! We rejoice for their faithfulness and reward but have been lifting their families up in prayer for comfort, guidance and strength.

We continue to see God answer our prayers and provide healing, protection and provision. Continue to praise and give thanks as you present your requests to God!

"Battle Lessons" is our new series and is based on the book of Joshua. Its fascinating to see God's "strategy" and work with Israel. We are constantly reminded of the

foolishness of relying on our "own wisdom"; instead of making things a matter of prayer, searching God's Word and looking for where Jesus, the Head of the Church, would have us to go.

WE ARE MEETING EACH SUNDAY in the church basement (plenty of room following social distancing guidelines) and you are welcome to join. If you can't, the lesson material is included in the weekly packet sent to our people.

- Wednesdays
- @ 10:30 AM

- Keep up with how God is answering prayers

Study & Pray

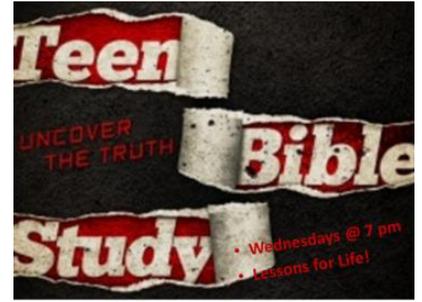

Figure 1 "Numbers"

Due to Covid19; we have not been meeting during the week for this study. We do provide the lesson material each week in the packets that we send out to our people.

Numbers has been an interesting study as we have seen how God worked with His people. We have seen the faithful blessed, the disobedient punished and the enemies of Israel overcome.

As we begin to come to the end, greater instruction is given regarding the ways people are to be remembering God. The Spring "feasts" remind us of Jesus' Death, burial, resurrection and start of the Church. The Fall "feasts" remind us of the second coming, judgement and new places that have been prepared for us for all of eternity.

You come away from reading this section with a better understanding on how imperative it is to do things "God's Way"; rather than whatever we might come up with. You also appreciate the NEW COVENANT that Jesus established!

Needless to say, the corona19 Governor mandate to stay in our homes, has limited the opportunity to have these home studies.

Teen Training—
Thursdays @ 7 pm

Cleaning and disinfecting the church is being done to assure a healthy environment for God's people. Unfortunately, the teens are not able to help with it, due to travel restrictions.

GOD CONTINUES TO BLESS!

God is FAITHFUL and provides despite the covid19 crisis. We have not had to (nor do we anticipate) go to seek government loans to help us through. In fact, God keeps increasing our resources; which have enabled us to increase the dollar amount that we send out to missions (percentage remains the same).

We are thankful for volunteers who are starting to make their way out to work on the memorial flowerbeds around the church!
