**Get to Know
YOUR Bible!**

Sundays @ 9:30 AM

We are pleased to offer for 5 consecutive weeks in June, a seminar which will help participants to understand their Bible. The program will take people from Genesis through Revelation in 40 minute sessions each week. Understanding on God’s Plan for Man, along with the History of the Lord’s Church; will be included in the series.

Attendees will receive study guides each week, along with an optional open Book quiz. This will allow them to refresh and review the material as often as they desire. The quiz allows them to see for themselves how much they are learning.

The seminars are FREE along with the Study Guides. We are asking for people to sign up in advance so that we will have adequate materials on hand each week. Your family and friends are also welcome. Those that miss a session will be provided the opportunity to go over the material at their convenience so that they can get caught up.

We anticipate that all will discover that this makes Daily Bible Reading and other studies easier to understand and apply to their life.

402 People helped in May by our Food Distribution at Bethany United Methodist Church

What a blessing for our community to see area churches uniting, working with the Food Bank of Eastern Michigan and meeting needs of the people in the community!

The above chart shows the number of people helped each month, starting with December and going through May (remember there were 2 distributions in March!).

Nearly 5 tons of food handed out in about an hour!
