

Let God Speak to YOU!
Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html> .

Discover how God worked through Titus, Barnabas, Esther and Deborah by participating in the Daily Bible Reading program found on our church calendar and website. Men and Women who were given responsibilities far beyond what others would have thought possible. God hasn't changed; how can He use you?

Realize that His Word can equip you for every good work! Will it be sharing your faith, setting an example, being an inspiration, teaching, helping deliver food, uniting the body of Christ, supporting the work of the Kingdom all over the world, or other areas of service that God has in store?

Take Time to Talk to God!

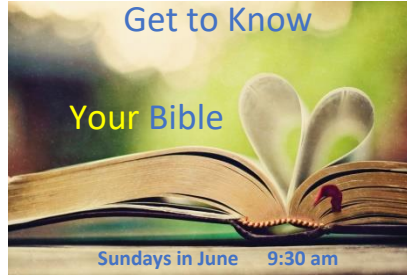

We are contacted by individuals facing tremendous trials and asked to pray. Jaylah has terrible skin condition and is in Ann Arbor. About 2 years old this is hard on her as well as her parents. Christiane is dealing with extensive pain that has resulted from a severe accident years ago that damaged her feet and had to be fixed with multiple screws. Larry's family is dealing with multiple people dealing with serious health issues. God helps them through these times.

He also performs miracles! Larry's niece was involved in a rollover accident that occurred while travelling 70 miles an hour. She was thrown out of the vehicle and life flighted. After being examined, they determined there were no broken bones or serious injuries due to God

causing her to land in a marsh and protecting her.

God continues to bless and use the body of Christ at Pine Run to inspire and unite believers in serving our Lord!

Who can YOU be praying for?

We are thrilled that our new Sunday Morning Study has more than a dozen people planning on participating. There is room for more! We will make arrangements to help you get caught up for any sessions you miss! Take advantage of the learning and fellowship that awaits!

Extra Chance to Worship and be challenged!

Have you joined us for EVENING Worship? You can preview the service as it is printed in the bulletin each week. Extra time to praise, pray, hear God's Word, fellowship along with reflecting on how God has worked among us! It will give you an extra boost for the coming week!

Service begins at 6 pm !

- Wednesdays
- @ 10:30 AM

- Keep up with how God is answering prayers

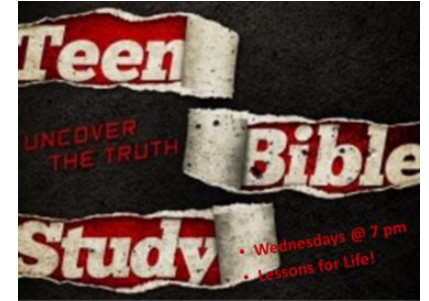

Study & Pray

Figure 1 "Genesis"

Family Dynamics, Leadership, Importance of Forgiveness and Meeting Needs will be looked at

throughout June as we continue our study in the book of Genesis. We will be reminded how God can work in and through people's lives in amazing ways. Time of trial, can also be times of training and equipping for seasons of rejoicing and great ministry!

See what lessons God has for YOU!

Its wonderful being able to re-connect with young people that have been absent from the assembly and helping them to deal with life's issues. Be praying for this ministry!

Teen Training—Thursdays @ 7 pm

What a joy to have Savannah and Jewell; joining Jaydin in helping prepare the building for services. They also helped with decorations and getting booklets and newsletters assembled.

NATIONAL DAY OF PRAYER service saw 75-100 people gather at the Firehouse. Earlier programs were held before school at the flagpole of some of the school buildings.
