We will be finishing up our reading of the book of Romans and heading into Paul's 1st letter to the Corinthians. This was a church located in a culture of education, business, sports and striving for excellence. The Apostle deals with issues that came into the church there. These issues included: division, immorality, pride, greed, fighting, divorce and more. Similarities abound with what congregations are facing today. Read with us and then look deeper at sections during our Worship Service sermons in June!

June is a month for new beginnings. Students are graduating and entering a new time in their lives. Couples are getting married and beginning a new life together. Our Congregation enters a new "church year" following our Annual Meeting.

This is a time to be praying for wisdom and guidance for those involved in these endeavors. Pray that they will learn and adapt quickly to their new situations. Pray that God

will be glorified by their lives wherever He may lead them
 Remain in prayer for those that we have sent out and their service to the Lord. Keep in prayer our Missions, especially the Christian Camps that begin their Summer Schedules. Continue to pray for the health and continual growth of each other. Remember that He is able to do immeasurably more than we can ask or imagine!

Figure 1 "Women of the Bible" Study

Our studies have revealed that God has no difficulty placing women into roles of leadership. Using them to settle disputes, win battles and inspire generations by their lives. This month we will be looking at people like Hannah, Abigail, Bathsheba and Jezebel. If you don't know who these people are... you need to be joining us. If you are unsure what we can learn from some of them... you need to be joining us. If you already know the people and lessons to learn from them... you need to be joining us and sharing what you know!

If you want to catch up on what you have missed, you can! These studies can now be found on our website:

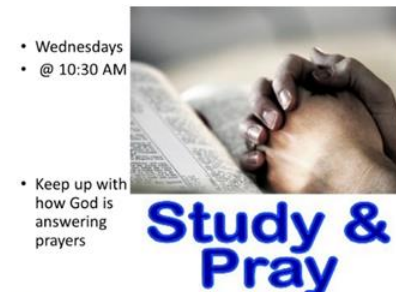

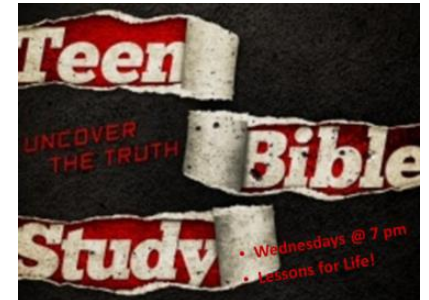

Figure 2 Study of the Galatian Churches

What churches in Galatia do you know about? How did they start? What issues were they dealing with? How can their experience help me with my walk in Christ? Discover that and more!

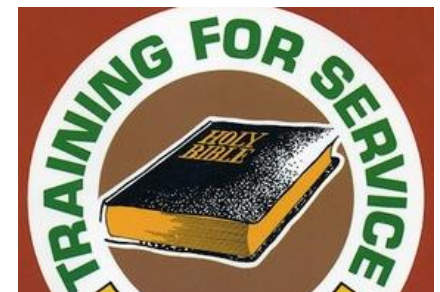

Can't make it to the study? Not a problem. The study will also available on our website.

We also spend time updating our prayer concerns and taking matters before God's throne.

Everyone is welcome to join us!

Meeting at the home of a teenager for Bible Study is a blessing. Reviewing the previous Sunday sermon and helping them apply God's principles to their life is vital. Pray for our youth!

Teen Training—Thursdays @ 7 pm

Savannah Littlejohn completed her 40 hours of community service needed to graduate, by participating in our Teen Training. Delivering water to homes in Flint, Weeding, Cleaning, Decorating, Teaching youth and helping with Office work provided a diverse experience. Her brother Jaydin continues to help but others are welcome. They too, may discover that God can use this in countless ways to help them in life!
