

Did you know that a recent guest to our facebook page, has started attending services and studies at Pine Run?

This photo was sent to our facebook page. It is the inside of a New Testament that was presented to a boy in 1957 for perfect attendance at Vacation Bible School in Pine Run. Elton Carlson was the minister at the time, and the elderly gentleman wanted to let us know that the impact of the ministry here 60 years ago, is still making a difference!

### Mission of the Month:

Michigan Christian Campus Ministry His House Christian Fellowship is a ministry that reaches out to college and university students with the story of Jesus Christ. Currently, 12 Michigan colleges and universities have ministries. Since its inception in 1969, His House has maintained a goal to raise up students who are wise enough to seek Him, tender enough to love those around them, strong enough to influence nations, and excited enough to change history.

In May, 15 students and staff began their travels to Rostock, Germany for a mission trip! They will be serving there until May 29. While in Germany, the team will be sharing the gospel, discipling students, and encouraging the church. Rostock has a population of over 200,00 yet only 1% are Christian. They have been serving in many ways, from teaching a religion class at a local school to spending time discipling young people. Please continue to pray for them and that their presence in Rostock would stir something in the people there!

Its easy to forget that our support of campus ministry can impact people all of the world. This mission trip to Germany, is another reminder of how God multiplies the effects of our support and ministry.

### **Board Meeting**

June 25th following Morning Worship

Our bulletin boards receive monthly makeovers thanks to our volunteers. Deb St. Louis has worked with our teens in April and then the children's class in May to transform a plain board into a vibrant and beautiful reminder of God's love and care. Take time to check out the handiwork!

We appreciate and thank our volunteers who will be brightening up the flowerbeds around the church. .
