

HEBREWS - JUDE

Adult Bible Course

I. BIBLE STUDY DESCRIPTION:

HEBREWS: Our study of this book will concern itself with the message of Jesus and the NEW COVENANT and how it is superior to the Law and the OLD Covenant.

JAMES: In this book, we shall see the importance of faith being combined with works.

I & II PETER: These two books will introduce us to the fact that Christians must be faithful, in spite of persecution.

I, II, & III JOHN: John will teach us that true followers of God have a great and deep love for their fellow man.

JUDE: Jude will teach us to beware of false teachers that will come and try to lead us astray.

II. BIBLE STUDY OBJECTIVES:

Our basic objective is to bring each individual to a basic understanding and knowledge of each of these books so that we might understand God's will for His people. We will emphasize how it applies to our lives besides the facts that it contains.

III. ASSIGNMENTS:

The purpose of these assignments is to give you the opportunity to become familiar with the material and then to be able to ask questions that will help you gain a better understanding of God's Word. To gain the greatest benefit, it is vital that you do as many of these assignments as possible since ALL the material cannot be covered in our discussions.

- A. Read the material that will be discussed the following week.
- B. Complete the appropriate study guide
- C. Attend & participate in the study each week.
- D. Write an outline of the book and conclude with how you have benefited from studying it.
- E. Review the previous week(s) material
