

Let God Speak to YOU!
Communication is important in EVERY relationship

We will be finishing up the Gospel of Matthew in the month of March. The latter part of the month will focus on the last week of Jesus' ministry before His crucifixion. Palm Sunday will be the first week in April, followed by Easter Sunday. This is a tremendous opportunity to refresh your memory on what Jesus went through for you!

Take Time to Talk to God!

What a blessing this past Sunday to have Angel Church back in worship. We have been praying for her recovery from stroke and rejoiced to see her able to walk with the help of a walker. Each week we learn of those in need of prayer (sickness, accident, surgery, travel, job, etc.). We encourage one another to pray for these matters and then give God the glory as He answers prayers!

With Palm Sunday and Easter coming up, we are starting a new study in March that will focus on how Jesus fulfilled the Old Testament gatherings that God commanded for His people. You will be amazed at the connection between these Old Testament practices and Jesus. Our schedule: (Lord Willing)

March 1: The Sabbath

March 8: Passover (Part 1)
 March 15: Passover (Part 2)
 March 22: Feast of Unleavened Bread
 March 29: Feast of Firstfruits (Part 1)

If you don't know what these are—YOU REALLY NEED TO COME; If you do know what these are—YOU REALLY NEED TO COME AND SEE HOW JESUS FULFILLED EACH!

Keep up with how God is answering prayers

Study & Pray

Figure 1 "Numbers"

God has opened up our eyes to the significance of the book of Leviticus for Christians. It has given us a greater appreciation for our life in Jesus; underscores how our relationship with God works and how we should live. Other New Testament teachings have taken on greater significance as a result of our study.

As we head to the book of Numbers, experience with us, the lessons that God has for us. He has stated that "ALL SCRIPTURE IS USEFUL..."; experience that for yourself!

Seeing God work in a teens life, helping them find their way, grow to seek prayer for others and find purpose is an amazing process.

We have recently added a second study for a nearby family on Wednesday Nights. This is such an encouraging time to see the hunger and desire for God's Word!

**Teen Training—
 Thursdays @ 7 pm**

Volunteer help to get things taken care of at the church is such a blessing. Office work, repairs, cleaning and more is done!

GOD CONTINUES TO BLESS!

All bills are paid, did not have to borrow anything from savings (second month in a row), and we enter March with utilities ALREADY paid for the month! We praise God for how He is providing. Many have increased their giving. Then we receive unexpected gifts (one was from a community foundation in Tennessee!). We also praise God for the savings that He provides through volunteers.

So, are we set? No; keep praying! We have not been able to set aside money for the annual insurance bill in August, like we had hoped for, let alone build a little "emergency fund" for repairs and maintenance that comes up. We still have a long ways to go; but we are seeing each week, that God is providing and know that if we remain faithful; He will take care of these others matters in His time!

Keep praying and giving as God blesses!
