Our focus of this years program is how God worked to equip and prepare people for the work that God had for them to do. We then look for principles that we can use to help prepare others for service in the kingdom (including ourselves)

Our reading in March will be based in the Old Testament and will also include “mistakes” that were made by individuals and we will then focus on how we can avoid repeating those types of errors.

Our sermons (both morning and evening) will come from the sections that were read the previous week.

We praise God for keeping the people of the congregation safe through all of the winter storms that we have faced. We give thanks for the health and continued sustenance of the people as well.

We continue to witness God opening doors and providing resources for ministering to physical and spiritual needs.

OUR GOD ANSWERS PRAYER!!
Who do you know we can be praying for?

• Sundays
• 9:30

Figure 1 "Fulfilled Prophecies in Matthew"

We are seeing how the opposition that Jesus encountered changed His approach to teaching. It did not discourage or prevent Him from continuing to love these people.

Come and learn how this Jesus can challenge YOUR perceptions and thinking on how we should live!

RETURNS MARCH 10th!

Daylight Savings time brings back more sunlight in the evening, making easier for our people to drive to evening service and get home before dark.

Our first week back, will be filled with people selecting their favorite songs to sing, prayer, communion and a second message from the previous weeks daily Bible reading.

• Wednesdays
• @ 10:30 AM

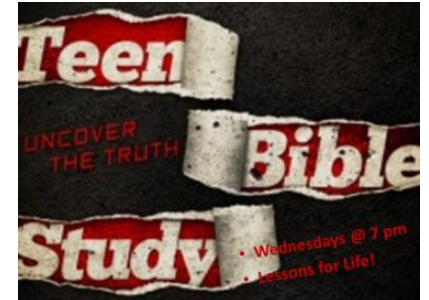

• Keep up with how God is answering prayers

Weather has hindered our studies this year, resulting in our FIRST study

being held on February 20th! Now is the time to join in as we all get reacquainted with where we were studying!

Join us for our study and prayer time as we look for God to intervene in the lives of those around us!

Taking Sunday messages and applying them to a teenagers life and situation is what this study is all about. For more information—see Paul!

**Teen Training—
Thursdays
@ 7 pm**

Helping with office works, assisting with cleaning the church are among the responsibilities that we focus on. It allows teens a chance to “get out of the house” and help others!

We are glad to have had 5 churches provide volunteers at the last Food Distribution. We now have 8 months of hosting the Food Distribution spoken for by 5 different churches. These distributions are welcomed heartily by Clio Common Ground (Govt. & civic groups).

There is talk of a joint worship service on August 4th at the Clio Amphitheater. Keep this endeavor in prayer as well.
