In the News!

We have been blessed to have the support of our local paper as we have worked to get word out about our Food Distribution efforts with the Clio area churches. A two page article (page 3 and 12) appeared in the Mt. Morris/Clio Herald on February 6th. It

included information about the February 9th Distribution and numerous pictures from the Distribution that was held in January at Pine Run.

The February 13th edition of the Mt. Morris/Clio Herald featured a color picture and summary of the February 9th Distribution on the Front page.

Copies of these can be seen on the church bulletin board in the foyer.

We were also welcomed as a new partner agency of the Food Bank of Eastern Michigan in their “Food For Thought” March Newsletter for Genesee County Agencies.

Preacher Recruited for Camp!

Paul was contacted about working a Senior High Week of Camp at Rock Lake Christian Assembly this summer. He has consulted with family, talked with the Church Board and prayed about this matter. He then agreed that on July 21st he will head off to work as a small group leader, encourager and “tormentor” (one responsible for issuing of puns, “dad” jokes, etc.). He was feeling comfortable with this decision until a Senior High youth shared that they felt “he would be unable to relate to these youth!.” This youth is now entering the “witness protection” program!

Seriously, be praying for this endeavor that God will use it to His glory and the building up of the Kingdom!
