Our program is taking us through the book of Acts where we are focusing on how God helps us to grow in Faith. The sermons on Sunday come from the previous weeks reading, God has ways of making HIS POINT! February 4th was going to focus on "Be still and know that I am God" We were hit by a mountain of snow and everyone stayed home and were reminded of the power of God. The following week was to remind ourselves that God's power is greater than our might. Again, snow brought everything to a halt and we were reminded of God's power again!

Keep reading and see God's power as He teaches lessons we need to know!

Continue to give thanks for answered prayer! Lowell Mason's, great grandson, Carter, was hospitalized and is now healthy and back to school. Oldest member has had pneumonia and on road to recovery. Second oldest member has been told no longer needs to wear a heart monitor.

Another of our Seniors has been constantly hospitalized for multiple issues and has now stabilized and been able to be home for a couple weeks. Flooding in the church basement was resolved with some labor and two wire nuts! Attendances (when we have had church) has been steady and have had a new visitor the one Sunday in February we did have service, so far. God is faithful and answers the prayers of His people.

When your prayer is not being answered, be careful about trying to take matters into your own hands and take care of it yourself. We have seen in several of our Bible Studies and daily Bible Readings, that this is how people have created H-U-G-E problems; some which have gone on to last for generations or even thousands of years. Be patient and trust God's leading. He has proven Himself faithful, accept His will and timing!

• Sundays
• 9:30

• Study of Missionary Journeys & Epistles!

Join us as we continue our study of: "Women of the Bible". We have seen God looking out for them, when others haven't. Wives put in difficult situations trying to help their loved ones do the right thing. God continues to be patient and work with them. Learn principles and be inspired by their lives. Share your insights and help build up others. God's Spirit will guide and strengthen you.

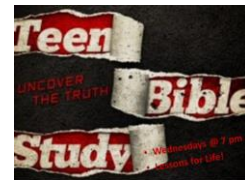

If you want to catch up on what you missed you can! These studies can now be found on our website: <http://pinerunchurch.org/women-of-the-bible.html>

- Wednesdays
- @ 10:30 AM
- Learn about "Life of David"
- Keep up with how God is answering prayers

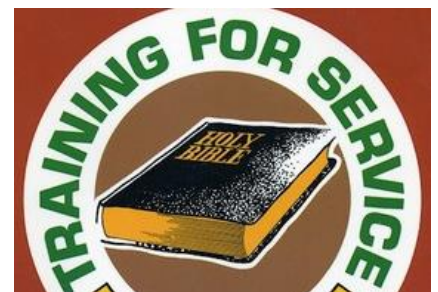

Study & Pray

Our study in Deuteronomy (Advice for the Younger Generation) has revealed that God had guidance for: individual health, relationships, caring for others, dealing with poverty, care for workers, farming, international relations, and more! We are about 2/3 of the way through, but you still have time to join us for study and for our time of prayer!

Wednesday Night Teen Study is helping to show what a walk with Jesus looks like. Realizing that we DON'T have all the answers and have to walk by faith!

Teen Training—Thursdays @ 7 pm
Appreciated Jaydin helping clean up from the flooding in the basement. He helped get the water out of the carpeting!
