Our Daily Bible Reading program will help you focus on Jesus through each week for the entire year. The reading will not take too long and you can start today.

You can find the program on: 1. Printed brochures at the church 2. On our monthly calendar or 3. On the web at: <http://www.pinerunchurch.org/reading-his-word.html>

Sunday Morning and evening messages come from the previous weeks reading. This will reinforce what you have read and give extra insight on how your reading applies to your daily life.

Developing a closer walk with Jesus is important if we are going to continue to be effective and productive for God. Our "Basic Training" can help you to grow in Jesus.

We have now made it even more convenient for you to benefit from this program. You have **OPTIONS** on going through the information:

1. Tuesdays @ 7 pm
2. Get a Guide at church, Study at Home and then come to the Tuesday Study to get questions answered or gain additional insight
3. Get a guide at church and study at home
4. Find the Study Guides online at: <http://www.pinerunchurch.org/basic-training.html> and study at home.

Pine Run RAIDERS

TEEN TRAINING!

Our teens have been busy learning and serving this past month. They have taught, led project of making valentines for shut-ins, packed Valentine goody bags and have straightened the church.

Lessons they have taught include:

1. Psalm 23:1
2. Where the Bible Came from
3. The Bible Library

This coming month will be busy as they:

1. take a field trip to Lansing, MI and watch the Michigan Bible Bowl Round Robin.
2. Teach Sunday School Classes
3. Teach Wednesday Night Classes
4. Work on leading children in making spring pictures for our shut-ins
5. Begin work on the Easter Children's Program
6. Learn about Church Camp

Our teens will be at church on Sundays, Tuesdays, Wednesdays, Thursdays most weeks! Pray and watch them grow!

This class that is taught by teens (supervised by an adult) for children has gone well for the first month. The first week, the teen teaching was amazed at how much the youth remembered from the lesson that had been presented.

The children will be going through the Bible from Genesis to Revelation in this class. Each week they take a journey (using their imagination) as they travel across the globe and back in time to learn of the events that the Bible records. The Powerpoint helps them remember their spiritual armor, where places are located, where the events fit in the rest of world history and allows them to review previous lessons.

The first 2 lessons have focused on the Bible: where did it come from and what is it about.

To keep up with what they are learning you can go to our website:

<http://www.pinerunchurch.org/child-development.html>

and click on the links for the various "Raiders" lessons!

This group has been s-l-o-w to get going as getting children out on a school night is proving difficult. The teens are teaching (supervised by an adult) about famous Bible passages. They are starting with the 23rd Psalm and helping the children understand that God loves and cares for them. Bible stories are included to show how God has done this for others. The children also have a game to play and an activity that helps them put the lesson into practice.

In March, the children will make "Spring pictures" that will be delivered to our shut-ins!

MISSION FOR THE MONTH:

**Where is the camp?
Columbiaville?**

One of the more common questions about camp is where is Columbiaville? Columbiaville is 15 minutes east of Lapeer. This means that camp is about 30 minutes from Flint, 60 minutes from Sterling Heights, Troy and Saginaw and only about 90 minutes from Livonia and Ann Arbor! (3930 Flint River Road, Columbiaville, MI 48421) ; (810) 793-6000
