- 5 - 12 NO SERVICE
- 5 - 19 Training Others
- 5 - 26 NO SERVICE

Remember to pray for
School Administration

First introduced and passed in 1952 for the President to designate a day of prayer during the year, other than Sunday. It took 36 years for the first Thursday in May to be the continual day. This was signed into law by President Reagan.

A different theme is selected by the chairman of the National Committee. Materials are produced and made available throughout the nation.

Clio traditionally holds their observance at a meeting room at the Fire Station at noon. Approximately 100 people from various congregations will gather. Songs are sung and then they will break into small groups where people can pray silently or aloud regarding the various topics that are shared. Everyone is welcome to attend. If you cannot attend, you are still encouraged to pray that day especially for our Nation, Schools, Public Servants, Armed Forces, etc.

**Sunday
May 12**

Pine Run takes time on this holiday to recognize and honor mother's with a gift, a service that focuses on the way God has blessed us through them, and an opportunity for individuals to honor their mother in a public way.

Everyone is encouraged to bring a photo of their mother to be placed before the service at the table on the platform. Cards will be available for identification of who the mother is, and the name of her child(ren). The pictures can be picked up following the morning Worship Service.

**Memorial
Sunday
May 26th**

Families are asked to submit information regarding their loved ones who served in the armed forces and are no longer alive. This sign up will be available throughout May and can be found in the church foyer. We ask that those who have submitted information in the past, double check our info sheet to make sure we have correct and complete information.

Members of this congregation served as early as the war of 1812. Ancestors of our members go back to the Revolutionary War. All are recognized on this day with a flag and name card displayed in the front of the auditorium. Families who have loved ones recognized will be able to place a flag in the church front lawn following the service to remember that families sacrifice.

The Worship Service that day will be filled with Patriotic Music and thoughts.

We have been blessed by God with a country that enjoys many freedoms, for which our armed forces have given their all!

**Churches
Bombed
on Easter
Sunday**

Isis claimed responsibility for the bombings that claimed over 300 lives and hundreds others injured. We continue to see around the world the persecution of Christians. The threat that brothers and sisters in the faith, face daily should cause us to be more diligent and resolute in our service to Jesus, the King. He set the example by PRAYING and DYING for those that were putting Him to death. We need to continue to lift up in prayer not only the Christians facing persecution to be strong and faithful, but also for their persecutors to see the love and will of God for their lives. We have seen throughout history, that God IS ABLE to transform lives! Let us PRAY!
