

Let God Speak to YOU!
Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html> .

Discover how God worked through the Apostle Paul to train Timothy and others for service. What were truths that were important to learn? What principles can we find for helping people to grow in Jesus today?

Take Time to Talk to God!

God hears and answers the prayers of His children. Take time each day to share your love, appreciation, gratitude and concerns with your Heavenly Father. He wants to have that time with you!

Figure 1 "Fulfilled Prophecies in Matthew"

May will bring the conclusion of our study of Matthew's Gospel and how Jesus fulfilled the prophecies. Spend time with us as we go through Jesus' last days on earth before returning to the Father. Remind yourself of the extent of His love. Review the task that He left for us to carry out.

Extra Chance to Worship and be challenged!

Have you joined us for EVENING Worship? Discover the blessings that await. More time focusing on God and how He wants us

to live will better prepare you for the week ahead.

The service is printed in the morning bulletin and you will enjoy more songs, and another message from the previous weeks readings. Service begins at 6 and is usually over by 7! We do not have Evening service on holidays, so that you can spend that time with your family encouraging them!

Study & Pray

Figure 2 "Genesis"

Discover how "real" the Old Testament is. You will discover that problems people face today, are very similar to what people faced thousands of years ago. You will also gain insight into seeing "history repeat itself" and be better prepared to handle situations today—knowing the end result of each course of action.

Join us for our study and prayer time as we look for God to intervene in the lives of those around us!

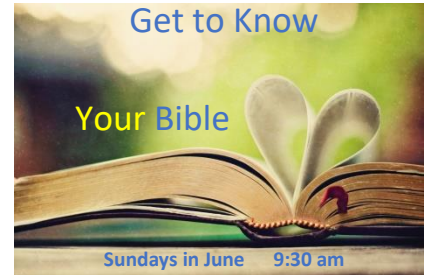

Taking Sunday messages and applying them to a teenagers life and situation is what this study is all about. For more information—see Paul!

Teen Training—Thursdays @ 7 pm

We appreciate the help that Jewell and Jaydin have been providing in cleaning and assisting with some of the office work besides.

Now is the time to sign up so that your materials can be ordered and ready! This is a five week series that will help you put things together from Genesis to Revelation and see God's plan in it all. It will lead you to understand God's plan for your life. You will discover where the various denominations came from.

At the end, you will have a greater appreciation for the wisdom and power of God to design and carry out a plan for reaching the hearts of people around the world, through the millennia!

Invite family, friends, neighbors and co-workers to join you for this journey. The church is picking up all the cost of the materials. The 40 minutes you will spend each Sunday morning will be one of the best investments you could make with your time!

The National Day of Prayer will be held on May 2nd at the Fire House in Clio. We are also praying that some young people will gather at their schools, around the flag pole before their classes begin, to pray as well!
