The purpose of this gathering is to provide people additional opportunity to visit and get to know others in the congregation. We have some new people coming and it will enable you to learn about them without being rushed. We ask that people bring a dish or two to pass. Table service and beverage will be provided.

Each person present has a story and testimony to share. God has touched them and their loved ones in countless ways. Discover how God is working in them. It will inspire and encourage you in your daily walk.

New Locks to be installed!

Soon the key will open deadbolts and door handles at the back and by the side door. Old keys will no longer work, so please let Paul know if you need one to get in to: Clean, decorate, prepare communion, provide for meals, etc.

The locks will provide greater security as well as convenience!

What an awesome day as family members come out to worship with their mom. Like going back in time as the family gathers, sings familiar hymns, prays together, partakes of the Lord's Supper and then listen as God's Word is shared. The smiles on the faces of the moms is only exceeded by the joy in their hearts to see their pew filled with loved ones.

A special gift will be provided for each mother present that day.

Make plans now to be present, bring joy to your mom and relive how her example and training helped lead you to the Lord!

SPECIAL MEMORIAL SERVICE

May 28th 10:30 am

Take time to remember those who served their country in the armed forces and are no longer with us. A special display will be set up recognizing those that are related to Pine Run church members. Patriotic songs, Memorial booklet and a message that draws from their example to inspire you to a life of service!
