

Let God Speak to YOU!
Communication is important in EVERY relationship

Our daily Bible reading in Revelation has attracted the interest of people from around the country. Each day, we will post an "excerpt" on Facebook and other social media. We have had responses from not only Michigan, but Tennessee, Kentucky, Ohio, Georgia, Missouri, Utah and more!

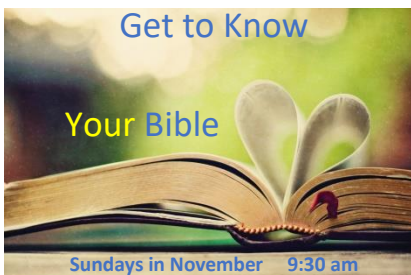

November, we will finish reading Revelation and will be learning about the life and ministry of the Apostle Paul. Discover how God worked in his life and find inspiration for your daily walk with God!

Take Time to Talk to God!

Tired of waiting in lines with nothing to do? Waking up in the middle of the night and can't get back to sleep? Finding there's nothing worth watching or tired of the lengthy commercial breaks? Why not make better use of that time by talking to God? Start with family members, those needing to make decisions, shut-ins, sick, missions, the ministry of Pine Run; just for starters! God can hear you anytime, anywhere; He will not put you on hold or tell you to come back later.

What are you waiting for? He is anxious to hear from you and will act in the best interests of His people!.

Warriors learn to master their weapons; Christians need to master God's Word! It will guide us, strengthen, and equip you for every good work. Intimidated by the task? There is help on the way!

Sunday mornings at 9:30 we will be taking time to help people learn how to read, study and get more out of the Bible. All are welcome. You do not need to pre-register, there is no cost, we look forward to having you join us!

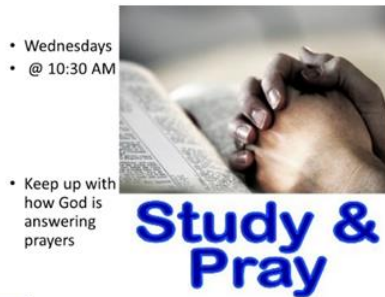

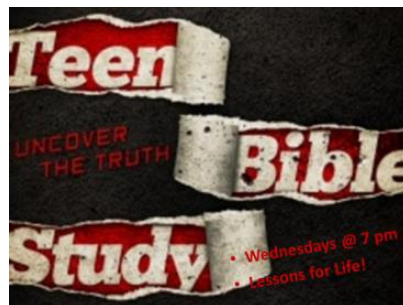

Figure 1 "Exodus"

Our study has resulted in plenty of discussion and insight as we go through the book of Exodus. Participation has increased as we entered the section where Moses goes up on the Mount and receives instructions about: Laws, the Tabernacle and worship. Not sure what the interest is all about? All the more reason to join us on Wednesday mornings!

We also take time to get caught up with what is going on in the lives of the people of Pine Run and then lift them up in prayer!

Hitting highlights from Revelation in our study. We are also helping

address how to search and handle the job hunting process.

Have added an additional family study on Wednesday night at a home nearby.

**Teen Training—
Thursdays @ 7 pm**

Cleaning, assembling Bible School booklets, and newsletters are some of the tasks that were undertaken in October.

Our church leaders went through the process of establishing a budget for the coming year. Careful planning is resulting better stewardship, while not reducing services. To accomplish this takes some creativity and resourcefulness. They will monitor and review the budget as the year goes on. Part of the goal is setting aside funds each month to cover a yearly insurance bill and develop a maintenance fund to take care of repairs so that we would not have to touch the Building Fund Certificate of Deposit in the future.

We continue to pray and look forward to continued growth of our congregation and services that we provide.

Pray for our leaders to have wisdom and for the ministry to continue to expand as we follow Jesus Christ!
