Mason**

What a blessing to read on Facebook that Lowell is still able to join his son, Duke, in doing concerts close to his home in Missouri. This has been a passion of Lowell’s since he was a child, and the Lord continues to use him to be a blessing!

You are aware that we often use Buddy’s “thought for the day” on our Facebook page. We have recently found some of his friends who have been liking our posts on the Churches of Christ/Christian Church Facebook page.

Their son-in-law, Brad is having heart problems and will need a transplant. Please keep him in prayer as well!

**David & Dawn  
(Berry) Degler  
A Christian  
Ministry in the  
National Parks**

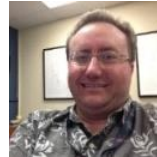

For more than 60 years — ACMNP has given a Christian interpretation to the awe and grandeur of God’s creation in the nation’s national parks. ACMNP has always been a ministry in rather than to the national parks, serving employees, residents, and visitors through interdenominational worship services on Sundays.

Today, ACMNP lives its mission by sending roughly 200 ministry team members into 75 locations in 25 national parks from Alaska to the Virgin Islands. Over 30,000 people worship together in ACMNP services every year, experiencing the glory of God by seeing it firsthand — nothing compares to the inspiration that comes from worshipping God the Creator in the beautiful outdoors!

Keep David, Dawn, their family and ministry in prayer, there in Colorado!

**David Anderson**

David is one of Charlene Anderson’s son. He is serving in the Navy in Hawaii. He is involved in the chaplaincy as well as active in leading a “home” church.

Continue to keep his family, his studies and ministry in prayer!

**Teaching  
the Word  
(through  
our  
Website)**

We continue to offer teaching through our Sunday School and Bible Study on Wednesday Morning. We also do Bible Studies in the homes of some of our people who have requested it. We then make available through our website, numerous Bible Studies than anyone around the world can download for free. Throughout the month, several of these studies are viewed. Children’s Bible Stories are also available and quite popular as well.

We are using social media to stay in touch and encourage High School youth that Paul worked with at Rock Lake Christian Assembly, this past July. We have recently added the Christian Churches/Churches of Christ group to places where we post.

Facebook was also one of the means we used to get the word out about the additional Food Distribution. Nearly 3,000 people were reached. Largest response by age group were the 35-44 age group; followed closely by the 25-34 year olds.

**FOOD DISTRIBUTION:**

Congregations have spoken and the entire schedule for 2020 is now filled!.

The Ministerial association had a table at the Clio Can-Do Color Run. New Testaments were purchased for distribution; along with Gospels/Acts scriptures that were provided by the Catholic Church. We also promoted the Food Distribution! If that wasn’t enough to get us noticed; a runaway golf cart drew attention!
