Have you ever learned something about somebody that you've known for years, but this aspect of their life you were completely unaware of? If you focus mainly on the Gospels for your knowledge of Jesus, that's what this month's reading in Hebrews can do for you. It can open your eyes to the significance of Who He Is and What He Does.

Following our conclusion of Hebrews, we will be reading James. This book is an excellent "Basics of Christian Life" study.

You can find the daily bible reading on the church calendar, website or printed and located at the table in the foyer.

Prayers for visitors, blessing on ministry, guidance, unity of area congregations provision, healing, housing, and our school administration, have been among the concerns that we have lifted up to the Lord in October. God continues to answer prayer.

God has expanded our ministry through our website to reach over 100 people weekly with Bible Studies. He has blessed our social media so that it reaches over 150 people several times each week.

God is uniting area believers in providing benevolence through a monthly food distribution program that we will be setting up with the Eastern Michigan Food Bank.

He has blessed us with visitors.

He has restored to health our people. One of our seniors a year ago was on a heart monitor and their heart was working at 10% Today she is "monitor free" and her heart is up to 25%!

God is at work answering our prayers, continue to praise, give thanks and let your requests be known!

Figure 1 "Women of the Bible" Study

We have concluded our "Women of the Bible" study. If you want to catch up on what you have missed, you can! These studies can now be found on our website: <http://pinerunchurch.org/women-of-the-bible.html>

We have now begun a study of the Gospel of Matthew with emphasis on fulfilled prophecies. We look at the fulfillment and then go back and see who it was given to, under what circumstances and try to determine what they "expected" it meant at that moment in time. This process is helping us to understand that what we see and think, might be a far cry from all that God is doing in and through our lives!

Check it out for yourself!

Our process for selecting these lessons are:

- New Testament (people filled with Holy Spirit)
- Men (Women are being covered in our "Women of the Bible Series")

We are nearing the end of this study. We have a couple more this month we will be looking at and then heading to a new study in December. To find out what you've missed check them out online at:

We also spend time updating our prayer concerns and taking matters before God's throne.

Join us each week!
