

**Let God Speak to YOU!**  
**Communication is important in EVERY relationship**

“Blessed is the one who reads the words of this prophecy, and blessed are those who hear it and take to heart what is written in it, because the time is near.” Revelation 1:3

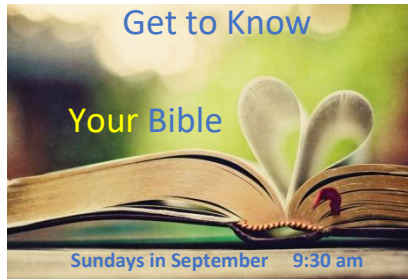

During the month of October we will be reading through the book of Revelation. God promises to bless the reader. He does not require you to fully understand; but just read and take to heart what is written. The Sunday Morning Sermons will be based on the reading for the past week. You can also find a “study guide” on our website that you can download for free!

**Take Time to Talk to God!**

God makes talking to Him, extremely easy. You can talk to Him: Anytime, anywhere, for any duration, about anything. He is interested in every aspect of your life. Unlike phone calls, His line is never busy. He not only hears the prayers of His people, but He promises to work things out in their best interest. That might mean a different answer or timeline than you might be thinking of, but you are assured that it is what is best!

You can pray for: yourself, your family, your coworkers, friends, neighbors, schools, community, nation and world. You can pray for your local congregation, the people the congregation has sent out, your missionaries and Christians around the world! He has the power to transform the lives of those who will let Him work. He still allows free will.

In October, we will continue conclude a 12 unit study on: “Basic Christian Living”. This study, will help you in your journey with Jesus. You will discover how He can TRANSFORM your life. Understand the WORK that will be involved and the benefit of the trials that you will face. God wants to better equip you for this journey so that you can be instrumental in impacting the lives of others.

Study guides are available for the asking and can also be downloaded from our website.

The last Sunday of the month we will begin another series that will provide us with an even better working knowledge of the Bible, than the study we did in June.

Join us on Sundays @ 9:30 a.m.

**Extra Chance to Worship and be challenged!**

Evening Worship has been suspended until the Spring. Our Seniors who actively support the service have difficulty driving at night.

- Wednesdays
- @ 10:30 AM

- Keep up with how God is answering prayers

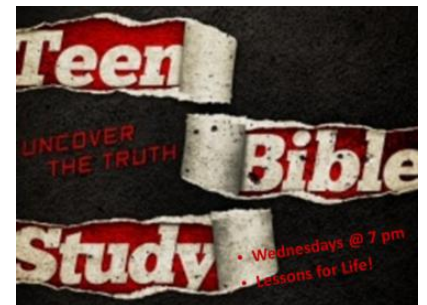

**Study & Pray**

Figure 1 "Exodus"

Reading God’s laws for society and contrasting them with our own justice system has been interesting. The more we look at His ways, the more

we realize how superior it is to our ways. Everyone would benefit, costs of the justice system would drop dramatically, repeat offenders would be the exception, victims would receive justice, the guilty would have the opportunity (except in extreme violent circumstances) to “pay their debt” and move on; while society would not be paying to support the criminal and their family.

Join us as we continue to explore these laws and learn more about how God would have us to worship!

Using Bible passages to help young people learn how to deal with the situations they encounter and trying to provide support; this is what our Teen Study is all about. They begin to see that God is concerned not only what is going on in their lives, but also how they are treating others.

Continue to pray for the young people in our community.

**Teen Training—  
Thursdays @ 7 pm**

**Working in the flower beds, cleaning the church, helping with office work, helping with bulletin boards and setting up for meals are ways that our teens are helping around the church. You will also see some of our young people helping at the Food Distributions!**
