Mason**

We continue to be blessed by the ministry of Lowell. He grew up at Pine Run and has stayed in touch, as he travelled the world sharing the message of God’s love, through music. He leads ministries that provide physical needs for communities in the US that have been affected by tragedy (floods, tornadoes, etc.) along with sending Bibles to Russia and writing a devotional message on Facebook daily (which we “share” on our Facebook page). This past month was a challenging month financially for his ministries and we would encourage you to pray and support as possible.

Their son-in-law, Brad is having heart problems and will need a transplant. Please keep him in prayer as well!

**David & Dawn  
(Berry) Degler  
A Christian  
Ministry in the  
National Parks**

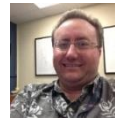

What does one do when the “vacation season” comes to an end and the volunteers and workers are ready to head home from their ministries in the various National Parks?

Enjoy three days fellowship, meetings, worship, and feasting(!) — in the presence of God and of one another.

Keep David, Dawn, their family and ministry in prayer, there in Colorado!

**David Anderson**

Children back to college, work at the Naval base continues and Dave resumes his studies for his degree; all while he continues to minister through a home church in Hawaii!

Continue to keep his family, his studies and ministry in prayer!

**Teaching  
the Word  
(through  
our  
Website)**

Old Testament, Church of Ephesus, and Gospel of Luke Bible studies have been the most popular this past month among adults. God and Science pages have also continued to generate interest. Numerous child Bible stories continue to be visited on our website. God continues to help others learn more about Him and His Word through our website. Record setting month as people continue to come and learn.
