

### Lowell “Buddy” Mason

Though limited in his mobility due to his neck surgery a year ago, Buddy continues to serve the Lord. When the Apostle Paul was limited due to imprisonment, he continued the work through letters and staying in touch with those he had served. In like manner, Buddy follows that example.

Buddy writes daily to strengthen and encourage believers on his Facebook page. Scripture passages followed with devotional thoughts are shared. These thoughts are also shared on the Christian Church/Churches of Christ page.

Periodically, he will also share updates on people that he has worked with in the past. Recently it was sharing the success of a family member of someone who traveled with him as a back up singer back in 1972!

Buddy continues to inspire through his faithful service. He reminds us that God can work through anyone, at any time, in the way that God sees fit. As a result, the glory goes to God who continues to touch lives in amazing ways!

David & Dawn (Berry) Degler

Recently, Dawn used her Facebook page to shed light on the fires that are raging in the state of Montana. She posted this from another site:

Our State of Montana is on fire. 68 active Fires. There has been ZERO I mean ZERO national media coverage. Farmers, Ranchers, Businesses have lost everything. Lives and Livestock have been lost. Please pray for rain in the record drought. Please share with national media. We need assistance for those with unbelievable loss. Please Share WE NEED YOUR HELP! Thank you because your shares we are getting media coverage. I added a link to help the ranchers and farmers so directly hurt by the massive fires we need your help if you can. Pray for rain and blessings on you all!

On a side note; we pray that David had a happy birthday on Sept. 27<sup>th</sup>!

David Anderson

Continue to keep David in prayers as he pursues his studies and serves in a home church. The day to day grind can become discouraging but is vital for the stabilization and discipleship that is necessary to create a work that sustains itself over time. We are thankful that he has role models in his mother and grandmother of faithful service over long periods of time. May he continue to be found faithful!

### Teaching the Word (through our Website)

Old Testament overview and lessons are made available on our website: <http://pinerunchurch.org/child-development.html>

Lessons include where the Bible came from, Bible Library and stories from Genesis through Malachi. Plenty of artwork helps tell the stories. 32 different lessons can be viewed.

**During September, over 230 times these pages were used! This continues to grow!**

Christian Living Studies can be found on our website as well:

<http://pinerunchurch.org/basic-training.html> Twelve studies can be downloaded that will help people grow in their daily walk with Jesus. **14 times this was utilized in September!**

**Science and the Bible articles were viewed over 60 times in the month of September :**
