October will take us through the Apostle Paul's two letters to the Thessalonians, along with the Letter to the Hebrews. This material will focus on encouragement for the faithful and a better understanding of the role of Jesus as Author and Perfector of our faith.

Copies of the plans can be found in the foyer, on the monthly church calendar, as well as our website.

Let God speak to you! You will be amazed at the relevance of these letters, nearly 2000 years after they were written!

Prayers for visitors, blessing on ministry, guidance, unity of area congregations provision, healing, housing, and our school administration, have been among the concerns that we have lifted up to the Lord in September. God continues to answer prayer.

We are pleased that Sts Charles and Helena Catholic Church in Clio, designated Sept. 27th as a day of

prayer for the students of Clio. This was following our suggestion that area congregations adopt a building and announcement of our decision to be praying for the Clio School Administration. We continue to pray for other congregations to step up and select a building and pray for its' staff, faculty and students throughout this coming school year.

We are also pleased to report that God is bringing congregations together through sharing of programs that can be mutually beneficial.

God is at work answering our prayers, continue to praise, give thanks and let your requests be known!

Figure 1 "Women of the Bible" Study

Fascinating to see the vital works that God accomplished through women in the Scriptures. Mary (mother of Jesus), Mary & Martha (sisters of Lazarus) and Mary Magdalene were among our studies this past month. Our studies are helping us better understand what their lives were like and how God can work today among us. Plenty more for us to learn as we head into October!

This study is quickly becoming the "longest" (most lessons) of our series.

If you want to catch up on what you have missed, or study ahead; you can! These studies can now be found on our website:

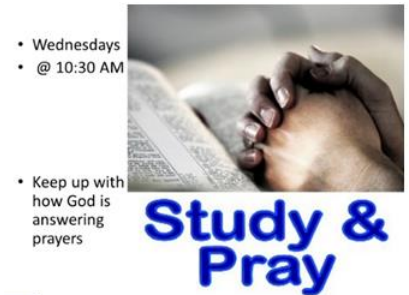

Figure 2 "Changed Lives"

Our process for selecting these lessons are:

- New Testament (people filled with Holy Spirit)
- Men (Women are being covered in our "Women of the Bible Series")

We have been enlightened concerning the personalities and how God transformed these individuals. Cases continue to show how much MORE these people accomplished with their lives, once they allowed the Lord to lead.

God is STILL CHANGING LIVES TODAY; let Him change Yours!

We also spend time updating our prayer concerns and taking matters before God's throne.

Join us each week!

Taking Sunday messages and applying them

to a teenagers life and situation is what this study is all about. For more information—see Paul!
