SEPTEMBER THEMES

We are coordinating through the Clio Area Ministerial Association; providing godly assistance to our schools. The Elementary and High School buildings have been adopted by area congregations who are keeping them in prayer and assisting with weekend Food Backpack preparation. We encourage you to be keeping the administration in prayer. Ask God to bless them with harmony, wisdom and an atmosphere where all are encouraged to do their best daily!

ENCOURAGING YOUTH!
We are working to encourage young people to meet with others at the flagpole of their school on Wednesday, Sept. 25 for prayer. Praying for the teachers, staff, students will help these youth realize the impact God can make, if they ask.

LABOR SUNDAY—Sept. 1st

Join us for worship as we are reminded of sacrifices that were made in order for us to enjoy the lives we have today. What are you willing to sacrifice to improve life for others?

**September 8th
10:30 a.m.**

Life is short and we aim to help people discover how to get more out of their time. Earning from others is one way, and who better to learn from then: Grandparents? They want to see their family succeed and have decades of experience.

City Church in Clio

Around 400 people were helped in August with nearly 5 tons of food. Volunteers are always welcome and appreciated!

In the month of August about \$6000 was raised between the Benefit Dinner at Bethany United Methodist and City Revive at the Clio Amphitheater.

9 congregations participate in sponsoring this monthly event. Workers representing these congregations and community groups work together.
