**David & Dawn (Berry) Degler
A Christian Ministry in the National Parks**

This ministry provides worship and Bible Studies for those that visit our National Parks. They also are instrumental in training young people in service to lead those numerous ministries. That service, also helps the youth in their own growth and development as they are surrounded by the beauty of God's creation and fellow Christians. These workers discover the truth of Jesus' words, "It is more blessed to give than to receive."

Keep David, Dawn, their family and ministry in prayer, there in Colorado!

David Anderson

David's wife has returned from helping his mother and grandmother in FL. He and his 2 college age children who were home; were glad to have her back (tired of eating out all the time!). Soon their two will be headed back to Oregon and the East Coast for another year of college.

Continue to keep his family, his studies and ministry in prayer!

Teaching the Word (through our Website)

Bible Studies for adults and children are available on our website. Teaching is also done as people see a congregation dedicated to working with other believers, meeting needs and seeking ways to impact lives for eternity.

VBS CO-ORDINATION: Attendances were up at nearly all of the VBS'; with every congregation seeing new people!

CITY REVIVE:

Over 500 people gathered from 9 local congregations on August 4th at the Clio Amphitheater. Pleased that one of our best attendances of the summer was at this event! Praising the Lord, listening to His Word and sharing what God can do through us, made it a special, momentous event. Nearly 300 people stayed for the free "box lunch" in the park. Bounce houses were enjoyed by the young people.

CLIO SCHOOLS IMPACTED:

Congregations adopting various schools & administration. Prayers will be lifted up throughout school year. Assistance provided in school supplies and/or food backpacks for students. Encouraging the "See You At the Pole" event on Sept. 25 besides!
