

Let God Speak to YOU!
Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html> .

Your journey through life is unique and special. You can benefit from looking at the journey of others and learning. We tend to want things to be easy and go smoothly. We want success, not failure. We fail to realize that struggles and failures often lead to us becoming stronger and wiser. We are better equipped for future challenges and ready to help others deal with similar situations.

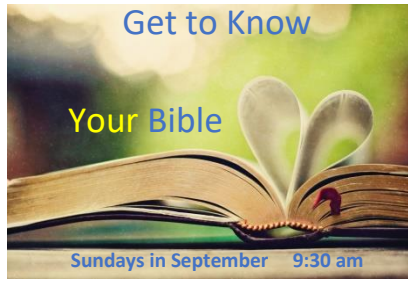

The daily Bible Reading takes you alongside others and their journey. You can see how God worked through people and situations to help them become the person that we've come to know.

Take Time to Talk to God!

Take time to start by praising and thanking God. This will set your mind up for realizing that God is all powerful and has been there for you in the past. Now, you are ready with confidence to present your concerns, knowing He WILL hear and answer. Take time to pray for God to work in and through your life. Pray for your family and friends. Remember, to pray for the Kingdom. Include other concerns (Missions, target groups, etc.) that God has placed on your heart. When you feel inadequate or unsure what to pray for in various situations, take comfort that God's Spirit will intercede and express your concern directly to God.

Your prayer time, will also become a time when God, in turn, will focus your attention on other situations and people that you can be influential in.

In September, we will continue a 12 unit study on: "Basic Christian Living". This study, will help you in your journey with Jesus. You will discover how He can TRANSFORM your life. Understand the WORK that will be involved and the benefit of the trials that you will face. God wants to better equip you for this journey so that you can be instrumental in impacting the lives of others.

Study guides are available for the asking and can also be downloaded from our website. Join us on Sundays @ 9:30 a.m.

Extra Chance to Worship and be challenged!

Only 3 opportunities in September to be blessed by this ministry. September 1 and 29 we will not be offering Evening Worship.

During September, we will be helping you see how God works through difficult times in your life, gives you coping mechanisms and will help you focus on your destiny. Spend time in praise, prayer as you are prepared for the work that is in store!

Service begins at 6 pm !

- Wednesdays
- @ 10:30 AM

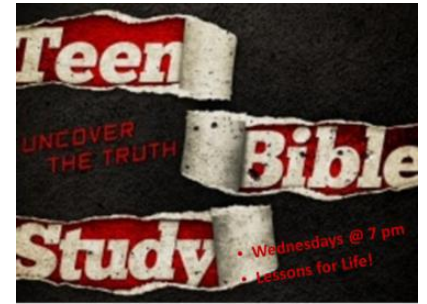

- Keep up with how God is answering prayers

Study & Pray

Figure 1 "Exodus"

What better way to understand how God will work in your life, than to

see how He led people for 40 years in the desert. Success, failure, threats, struggles, opportunity to start fresh, see incredible opportunities and more were experienced by the Hebrews. You will discover how God was there, responded and helped in all these situations. Such knowledge, provides greater insight and discernment on how He is working in your journey.

Helping teens see how and where God can work through them, is the key to this ministry. This summer, we have expanded this emphasis by following up with High School students that we worked with at camp. Daily posts on Facebook and Instagram for that small group are made. We are also encouraging local congregations to support and promote the "See You At The Pole" program on September 25; which encourages students to meet at the flagpole of their school before the day begins, and pray with other Christians.

**Teen Training—
Thursdays @ 7 pm**

Equipping young people to be workers and leaders is the goal of this program. They begin to realize that they are NOT the church of the future, but rather a VITAL part of the church TODAY!
